# Chairman's Statement

# Dear Shareholders,

It is my privilege to extend a very warm welcome to you all for the 58<sup>th</sup> Annual General Meeting of your Company.

The financial year 2020-21 was challenging for each one of us. The COVID-19 pandemic has had a significant impact on lives, livelihoods and the business. Due to COVID pandemic situation in the country, the Company's operations was disrupted in the first quarter of the financial year. However, the Company had recovered from the impact in the subsequent quarters of the financial year.

During the period, the Company has made dedicated efforts to extend all possible assistance to the Government bodies, medical units and frontline workers in combating this pandemic. The Company

has started free of cost vaccination drive for its employees and their dependent family members. Covid Care Centres have been set-up at various locations in the country.

I take this opportunity to share the performance highlights during the year and future outlook for the Company.

### **Financial and Performance Highlights of the Year**

In the financial year 2020-21, your Company recorded the turnover of ₹ 22,369 Crore, which is 5% increase from the previous year's ₹ 21,228 Crore. The Profit Before Tax (PBT) saw a growth of 8% from ₹ 3,938 Crore to ₹ 4,271 Crore while the Profit After Tax (PAT) increased by 14% from ₹ 2,842 Crore to ₹ 3,233 Crore. Our Order Book position stood at a healthy ₹ 80,639 Crore as on March 31, 2021.

The Company has paid Dividend of ₹ 30 per share of ₹ 10 each (300%) for the Financial Year 2020-21, totalling to ₹ 1,003.16 Crore.

Our focus on production continues during the year 2020-21, your Company has produced 44 Nos of new Aircraft and Helicopters, covering Su-30 MKI, LCA Tejas, Dornier Do-228, ALH Dhruv, Light Combat Helicopter (LCH) and Chetak helicopter. Additionally, we produced 102 New Engines and Accessories.

Your Company overhauled 198 platforms including both fixed wing and rotary wing aircraft of various types. Further, 506 engines were also overhauled during the year under review.

I am proud of our initiatives to indigenise production and become self-reliant, as set out by the Make in India and Atmanirbhar Bharat mandate.

### **Significant Achievements**

Your Company has witnessed several significant achievements during the year, some of which are highlighted as under:

- Final Operational Clearance standard LCA Tejas has been inducted into IAF Squadron 'The Flying Bullets' on May 27, 2020, marking another major milestone for HAL.
- Two Light Combat Helicopters (LCH) were deployed for operations at high altitude at short notice to support IAF missions on August 12, 2020.
- Three Light Combat Helicopters (LCH) have been produced and signalled out against the Letter of Intent of IAF.
- Received Initial Operational Clearance (IOC) of Light Utility Helicopter (LUH) for the Indian Army from CEMILAC.
- Received Operational Clearance from CEMILAC for ALH Mk-III for Indian Coast Guard and Indian Navy in January, 2021. The Company handed over three ALH Mk III to the Indian Navy and two ALH to Indian Coast Guard.
- Successfully demonstrated the tail boom folding operation on ALH Mk-III helicopter in November, 2020.
- The first Upgraded ALH Mk III CIVIL helicopter produced in November, 2020.
- The Company has indigenously designed and developed a 60kW Gas Turbine Electrical Generator (GTEG-60), the Auxiliary Power Unit (APU) for the Military Transport aircraft AN-32, which has attained operational clearance on May 28, 2020. The control unit (FADEC) of GTEG-60 is also designed and developed in-house by the Company.

 Successfully integrated and conducted trial of NGARM (New Generation Anti-Radiation Missile) and Precision Guidance Kit for High-Speed Low Drag 500 kg bomb on Su-30MKI aircraft.

### **New Initiatives**

During the year, your Company has taken many new initiatives. Some of the major initiatives are as under:

- Design and development of Combat Air Teaming System (CATS) with TEJAS-MAX cockpit as the mother-ship platform with the embedded air teaming intelligence concepts to demonstrate the fully integrated as well as autonomous wingman platforms and swarming of drones to engage in the mission.
- Design and development of Amphibian / Seaplane variant of HAL Do-228 aircraft.
- To foray into Civil MRO segment, HAL has signed two MoUs with Air Works India (Engineering) Pvt Ltd and Air India Engineering Service Limited.
- HAL entered into MoU with ADA for Design and Development of Advanced Medium Combat Aircraft (AMCA). AMCA is a twin engine multi role aircraft with fifth generation capabilities and is being developed by ADA for the IAF.
- MoU signed between HAL and DRDO for Transfer of Technology for Production and Designated HAL as Lead System Integrator of UTTAM Radar, an Active Electronically Scanned Array (AESA) Radar, designed & developed by DRDO for LCA Mk1 & Mk1A aircraft.
- Your Company has formulated new Vision and Mission statements in order to align HAL's new line of thinking and spirit to achieve business excellence. Accordingly, the Board of Directors of the Company has approved the "Corporate Perspective Plan and Design Prospective Plan 2021- 2030" to address the dynamic changes in external and internal environment conditions and to prepare various strategies and plans to keep the Company in competitive position and achieve significant growth.
- Your Company has appointed M/s Boston Consulting Group (BCG) for providing strategic advisory services for devising business cum growth plan

### **Future Outlook**

In the past one decade Aerospace and Defence Industry has grown consistently and the trends projected the enhanced growth in this market, until world faced COVID-19 outbreak in the beginning of 2020. The current economic downtrend due to pandemic has impacted the related aircraft manufacturing industry adversely and disrupted the supply chain. The pandemic has resulted in drop in production capability of the manufacturers worldwide.

The business of your Company is mainly concentrated to Defence Services which is highly technology intensive. The Company has a vision to expand the revenue sources in the domestic and international market. This is mainly to boost the growth of the Company. External environment is full of challenges in the future. HAL has laid down roadmap to enable company, not only to sustain the challenges but also to grow consistently. Even though Indian Defence market is more secured compared to the civil, focusing on market segments other than Indian Defence and allied diversification in product and service segments is crucial for the company in this decade. Our goal is to enhance export market significantly.

Collaboration with compatible OEMs is one of the important strategic aspects to make headway in the niche areas and diversification as well. Digitization across company, Al, Automation and Industry-4.0 are the important technologies which we are emphasizing to benchmark our performance with leading companies and achieve operational excellence.

HAL has been developing aerospace ecosystem in the country to boost the growth of industry in line with "Atmanirbhar Bharat Abhiyan". HAL is also playing a pioneer role in capability development and extended employment generation in Aerospace & Defence by handholding the vendors and suppliers.

While the Indian Defence market will continue to be prime revenue source, due to projects like LCA Mk1A, LCH, LUH, HTT-40 we need to prepare ourselves during this period to have differentiated products and services, required in future, make our systems more agile, effective and cost efficient, to face the market challenges. The futuristic projects on the anvil such as LCA MkII, Advance Medium Combat Aircraft (AMCA), Indian Multirole Helicopter (IMRH), Twin Engine Deck Based Fighter (TEDBF), Aero Engines Development etc., will ensure technological lead of your Company in the years to come. HAL is focusing Short Term and Long Term Strategy to meet UAV requirements of the Indian Defence Forces through indigenous efforts and the business collaborations with the global OEMs.

### Research and Development (R&D)

R&D has been the main focus area of your Company for increasing indigenisation and value addition in our products / systems. During the year, the Company has continued to focus its efforts towards new platforms development, technology development, and activities to enhance its capability with a view to bring technological superiority to its products and in order to cope up with the future technological challenges that require the Company to develop new products and go in for Product Enhancements. Towards the progress of the R&D efforts, the Company has incurred a total expenditure of ₹ 1,687 Crore for the year 2020-21 which is 8% of the Turnover. The Company has transferred a sum of ₹ 296 Crore (10% of Operating PAT) to R&D reserve for contribution to R&D corpus during the year 2020 -21.

The continued efforts of the Company to Design and Develop new platforms/ products have resulted in achieving operational clearance for ALH MKIII Navy/ CG and Light Utility Helicopter (LUH) — Army, completion of User Assisted Technical Trial phase-I and 8 turn spin trial of HTT-40. The Company is also progressing with the development of 10 ton class Indian Multi Role Helicopter (IMRH), Turbo fan Engine HTFE-25 and Turbo shaft engine HTSE-1200. These efforts are going to add new revenue lines and enhance the product mix of the Company.

**Corporate Governance** 

Your Company always strives to attain highest standard of Corporate Governance practice. The Company has complied with the Guidelines on Corporate Governance framed by the Department of Public Enterprises (DPE) and SEBI Listing Regulations. The Company has established Systems and Procedures to ensure that its Board of Directors is well informed about the Policies of the Company, to enable them to discharge their responsibilities and to enhance the overall value of all stakeholders. We are constantly reviewing the Policies and Procedures of the Company and updating them to ensure transparency in all aspects of the Company's working.

# Corporate Social Responsibility and Sustainability Development

As always, your Company is committed to social responsibility. We have undertaken various programmes and projects, towards integrating our social and business goals and in a sustainable manner in line with schedule VII of the Companies Act, 2013. During the year, an amount of ₹ 90.52 Crore has been spent on CSR activities.

Your Company has donated Ambulances, C.T. Scan Machine, Haemodialysis Machines, Deep Freezers for storage of COVID-19 Vaccines, Aerosol Boxes, Personal Protection Equipments, etc.to the Government Bodies to combat against the global pandemic COVID -19. The Company has established a 180 bed COVID-19 Care Centre at Bengaluru with an approx. cost of ₹ 90 Lakhs and also established one COVID Testing Facility at Kargil, Ladakh in association with CSIR-IIIM, Jammu.

### **Acknowledgement**

Your Company will continue to pursue global standards, and I am confident that the Company will achieve many milestones. We hope to attain all round success with the continued support and guidance of all our stakeholders.

I take this opportunity to extend my sincere gratitude to the Department of Defence Production, the Defence Acquisition Council, Defence Finance, Department of Civil Aviation and our valuable customers viz., the Indian Air Force, Army, Navy, Coast Guard, Border Security Force, ISRO and other Global Aviation Companies.

I also thank DGAQA, CEMILAC, Principal Controller of Defence Accounts, Principal Director of Commercial Audit, C&AG, Statutory & Branch Auditors, Bankers, Legal Advisors, Collaborators, Suppliers, Shareholders and other Agencies and acknowledge their contributions in our achievements.

# Board of Directors (as on 16th July, 2021)

**Shri R. Madhavan**Chairman and Managing Director

Shri R. Madhavan was appointed as Chairman and Managing Director (CMD) of the Hindustan Aeronautics Limited (HAL) with effect from September 1, 2018. He is a graduate in Mechanical Engineering from NIT, Raipur and also holds post graduate degree of M. Tech from IIT Madras. He joined HAL as a Management Trainee (Technical) in July, 1982 and has been associated with the company for over 39 years.

Prior to his elevation as CMD of HAL, Shri. Madhavan held the position of Executive Director, Accessories Division at Lucknow. He spearheaded successful absorption of technology for production of Su-30 Airframe & Engine accessories from raw material phase. During his tenure, the division was awarded the best performing Division (Customer Services) award in company-wide competition during January 2016.

With his rich and varied experience, Shri. Madhavan has provided solutions related to intricate technical problems and strategic issues. He has given valuable inputs as a member of Tri-service committee for high altitude operation of Helicopters and had overseen successful launch of export of Engine sets to USA while in Engine Division, Bangalore, which led to considerable improvement in the Division's process to meet the international standards.

Under his leadership, the Quality team at Corporate Office bagged the prestigious Platinum Technology award for the company at Berlin.

He had also extensively contributed to GOI's "Make in India" strategy by developing MSME sector vendors for Aerospace Manufacturing and had set roadmap for enhancing self-reliance & self-sufficiency through indigenization efforts for obsolescence management and for developing alternate technology leading to product improvement & reduction in cost. Under Shri Madhavan's leadership, HAL has earmarked Indigenization as "Key Thrust Area" and over a period has refined its internal machinery and policy for indigenisation of components, accessories and systems required for manufacturing as well as repair & overhaul of aircraft, engine and equipment.

A very important aspect towards development of engineering and technology in aerospace industry is availability of skilled manpower. Shri Madhavan in the capacity of Chairman of Aerospace & Aviation sector skill council is contributing immensely to meet the challenge of skill development. As part of Government of India's ambitious programme to encourage innovation, Mr. Madhavan is appointed as one of the Director of Defence Innovation Organisation (DIO) which is doing pioneering work in providing impetus to technology start-ups in the country in Aerospace and Aviation sector.

Shri Madhavan had also taken several e-initiatives, implementation of which have brought in systemic changes, transparency & process improvements. Under his leadership, HAL is embarking upon a major e-initiative called "Project Parivartan" in a journey to revive company's ERP system to increase operational efficiencies.

An avid reader and active in professional societies, Shri. Madhavan is a member of Aeronautical Society of India. He is also a member of Governing Council of CMTI and CSIR-NAL.

**Shri Arup Chatterjee**Director (Engineering and R&D)

# COVID-19 IMPACT AND MEASURES TAKEN BY THE COMPANY

In March 2020, when the COVID-19 pandemic first broke, HAL in the wake of the instruction of the Government of India and for enforcing social distancing to contain the spread of the disease, observed Lockdown in all its Units spread across the Country except essential services. During the period, the Company has manufactured & distributed aerosol enclosures, provisioned masks and other Paraphernalia for medical staff posted at various Hospitals across the country. In addition, Isolation wards have been created at places where HAL Divisions are located to meet the medical need and any medical eventuality.

In line with the Guidelines issued vide MHA Order No. 40-3/2020-DM-I(A) dated April 15, 2020, the Company scaled up its efforts quickly and initiated action for resumption of work at the earliest at all its locations and resumed all the Bengaluru based Divisions w.e.f. April 20, 2020. Also, instructions have been issued to all the Units of the Company to assign Field Service Representatives of HAL at various Customer Bases of Defence Forces to render services for Repair and Overhauling of the Fleet. To ensure serviceability of the Fleet, Field Service Representatives/ Technicians were positioned at Customer Bases as required by the Armed Forces.

In April, 2021 health crisis has deepened and the world's attention was focused on India's response to it. In order to handle the crisis during the 2<sup>nd</sup> wave of the Pandemic, the Company has been at the forefront to deal with the national emergency situations. The Company has made dedicated efforts to extend all possible assistance to the Government bodies, medical units and frontline workers in combating this pandemic. To combat the surge in COVID-19 cases based on the request from Bruhat Bengaluru Mahanagara Palike (BBMP), the Company has converted its Ghatage Convention Centre into a 180 bed COVID Care Centre including few beds with oxygen support and handed over to them on July 17, 2020. The Centre is functioning during the 2<sup>nd</sup> wave also.

HAL has set- up a 255 bed COVID Care Hosptial in Lucknow, UP with 25 ICU beds and 230 beds with oxygen support. The Company has also made provision for COVID treatment at its existing hospitals of 180 bed at Bengaluru, Karnataka; 70 bed at Koraput, Odisha and 40 bed at Nashik, Maharashtra. The Company is also making arrangements to provide more ventilators and oxygen points at Bengaluru and Lucknow.

The Company in collaboration with CSIR – IIIM, Jammu (Council for Scientific and Industrial Research - Indian Institute of Integrative Medicine) had established COVID Testing Facility

at Kargil, Ladakh. HAL has also signed an MoA with CSIR-CBRI, Roorkee (Council for Scientific and Industrial Research – Central Building Research Institute) towards establishment of one Make shift Hospital at Jammu and Kashmir for COVID-19.

The Company has donated a total of 16 Ambulances to various Government Hospitals located at Bengaluru, Lucknow, Amethi, Nashik, Koraput and Hyderabad, one 32- Slice Computed Tomography (CT) Scan Machine and three Haemodialysis Machines to Government Hospital at Bengaluru. The Company also donated 97 deep freezers (small) for storing COVID-19 vaccines to the Department of Health and Family Welfare, Government of Karnataka, Bengaluru.

The COVID-19 has disrupted lives of many employees and inflicted heavy burden on their emotional wellbeing. To mitigate the negative impact, team of medical experts of HAL hospitals and counsellors reached out to the employees and their families to provide psychological guidance and cope up with the situation. Further, in order to improve the wellness quotient and lessen psychological effects on the HAL families, a 'Financial Assistance Scheme' for dependents of deceased employees has been implemented in the Company to pay a fixed amount on monthly basis. In order to mitigate the financial hardship of family members of the deceased due to COVID-19, ex-gratia payment of ₹ 5 lakhs is being paid.

The Company has started free of cost vaccination drive for its employees and their dependent family members. Few other measures adopted for preventing the spread of COVID-19 are Deployment of Manpower in staggered Shifts; Conducting of Virtual Meetings; Declaration of Holidays to Break the Chain; Display of Posters, Banners, Signboards, Placards, Dos & Don'ts at all the prominent places, announcement in the Townships regarding COVID-19 appropriate behaviour and Closure of Common facilities like Schools, Crèche, Community Halls, Libraries, Clubs, Swimming Pools, Sports Amenities Centres, etc.

### **ATMANIRBHAR BHARAT**

'Atmanirbhar Bharat Abhiyan' led by the Government of India is giving significant impetus to self-reliance and local production which may favourably impact the operations of the Company as the Defence Services may demand HAL products like LCH, LUH, HTT-40, LCA etc.

### **DIVIDEND**

# Annexure III to Board's Report

### ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES FOR THE FINANCIAL YEAR 2020-21

### 1. Brief outline on CSR Policy of the Company.

- The Corporate Social Responsibility (CSR) Policy of HAL was approved by the Board at its 380<sup>th</sup> Meeting held on November 27, 2014 with the recommendation of the CSR & SD Committee. The CSR Policy is amended from time to time as required and latest amended policy was approved by the Board in its 443<sup>rd</sup> Meeting held on May 10, 2021. The Policy is in consonance with the CSR Policy framework enshrined in the Section 135 of Companies Act, 2013, Companies (CSR Policy) Rules, 2014 as amended vide Notification No. CSR-05/3/2020-CSR-MCA dated January 22, 2021 by Ministry of Corporate Affairs, Government of India and Guidelines on Corporate Social Responsibility and Sustainability for Central Public Sector Enterprises issued by Department of Public Enterprises, Government of India.
- It shall apply to all CSR Projects / Programmes undertaken by the Company as the activities listed in Schedule-VII of the Act, within the geographical limits of India alone, preferably towards the benefit of marginalized, disadvantaged, poor and deprived sections of the community and the environment.
- As per the policy, Projects/ Programs are identified and budgets allocated for them through a process incorporating identification of suitable implementation agencies, need assessment and clear outlining of desired outcomes.
- As per the mandate of Companies Act 2013, the Company has been spending 2% of its average net profit (calculated in accordance with the provisions of Section 198 of the Companies Act, 2013) during the three immediately preceding financial years under different heads stipulated under Schedule VII of the said Act.
- For undertaking CSR Projects/ Programs preference is given to the local area / vicinity of the Divisions / Complexes where it operates based on baseline survey considering the theme identified by the DPE for undertaking CSR activities by Central Public Sector Enterprises (CPSEs), for spending the amount earmarked for Corporate Social Responsibility Projects / Activities. In this regard, it is to state that Gram Sabhas and Panchayati Raj institutions at the village level are important and reliable sources for assessing the social, economic and environmental needs in rural areas. Therefore, as far as possible they should be consulted in planning for CSR Projects/activities.
- The CSR Projects / Activities that benefit only the employees of the Company and their families will not be considered as a CSR Project / Activity.

Kumudavathi River Rejuvenation Project
IV - Environment Sustainability
Nelamangala taluk, Bengaluru Rural District, Karnataka.
2014-15
2019-20
M/s. Pixel Softek Pvt. Ltd., Bengaluru, Karnataka

Impact Assessment needs to be conducted for the CSR Projects having outlays of one crore rupees or more and which have been completed not less than one year before undertaking the "Impact Study".

The external agency has evaluated the Projects/activities w.r.t. the following information:

SI. no	Particular	Details
1.	Need for choosing the activity/ project (Conduct of Baseline Survey)	Kumudavathi river was a source of water for Bengaluru and had almost disappeared due to over-exploitation of ground water resources, deforestation etc. A detailed project report was prepared by IAHV (International Association for Human Values), an NGO led by geological experts, which concluded that the river rejuvenation is possible through scientific interventions. The Impact assessment was carried out by M/s. Pixel Softek Pvt. Ltd., Bengaluru, Karnataka.
2.	Fulfillment of the objectives for the activity/project	The catchment area of the river was divided into 18 Mini-watersheds and all the watersheds were covered under the rejuvenation programme over a period of 6 years. HAL funded 11 mini-watersheds. The interventions planned as per project report have been completed.
3.	a. Beneficiaries of the activity/ project.	a. Rural People and Villagers
	b. Approximate Numbers	b. 1.91 Lakh People, 278 Villages
4.	Budget utilization (₹ in Lakhs)	₹ 1319.30 Lakh
5.	Implementation aspects.	The 11 mini-watersheds were developed in six phases over the 6 year period. Interventions included boulder checks, water pools, recharge wells, injection borewells and afforestation.
6.	Timely completion of the targets.	The Project was completed as per plan.
7.	Impact of the activity/project on social, economic and	1. Augmented the aquifer recharge by 5% which amounts to around 215 Crore litres of water in one rainy season.
7. Impon	environment perspective.	2. Systematic observation of the water levels in the injection wells and soil moisture movements has revealed increase in water table in all the injection wells (from 20 feet to 137 feet) during a period of observation of one year.
		3. The SOCIO-ECONOMIC study based on the data collected from the various farmers in the area have indicates that increased availability of the water for crops has improved their livelihood. It has helped their livestock because the water pools constructed have water for the longer durations than the existing huge water bodies in the watershed.
8.	Any other relevant points	The project has been widely recognized and received accolades & awards at various CSR Forums as below:
		1. Best CSR Project in 3 <sup>rd</sup> Corporate Social Responsibility Summit by NHRD

SI. no	Particular	Details
1.	Need for choosing the activity/ project (Conduct of Baseline Survey)	The development of rural infrastructure in general and rural connectivity, in particular, is very crucial in India. Rural road connectivity ensures access to critical services and opportunities and fosters sustainable development as well as employment generation through industrialization in rural areas. Rural Connectivity is a key component of rural development and contributes significantly to the socio-economic development of rural people by providing access to amenities like education, health, marketing etc. It has been established that investments in rural roads not only elevate rural people above the poverty line but also enhances their quality of life.
2.	Fulfillment of the objectives for the activity/project	A total of 8184.30 meters roads were constructed in all three villages. Length of constructed roads was 2984.30 meters in village Barauliya, 1200 meters in village Hariharpur, 4000 meters in village Korwa roads. For the construction of these roads, a total of ₹ 321.79 lakhs was spent by HAL out of which ₹ 89.68 lakhs in village Barauliya, ₹ 51.86 lakhs in village Hariharpur, ₹ 180.25 lakhs in village Korwa.
3.	a. Beneficiaries of the activity/ project.	a. Residents of particular villages and general public
	b. Approximate Numbers	b. 25000 People
4.	Budget utilization (₹ in Lakhs)	₹ 321.79 Lakhs
5.	Implementation aspects.	All the roads were constructed by awarding the tender to reputed contractors
6.	Timely completion of the targets.	Roads were completed within the allocated time
7.	Impact of the activity / project on social, economic and environment perspective.	Total of 4 roads have been constructed in three selected villages and the total length of the roads is 8184.30 meters, which have directly benefitted approximately 25000 people residing in 35 hamlets and neighbouring areas of these villages. The easy accessibility due to roads has positively impacted the overall development of villages. The study discloses that now cultivators easily carry their products from agriculture field to home / markets, the number of school-going girls increased, some girls moved for higher education, working women got more options for employment, daily commuting laborers have access to better wage markets, ambulance comes in the village without any hassle, aged people & pregnant women are getting better health facility, etc. These are the positive impacts that has improved directly the socioeconomic and education environment of the village.
		The study reveals that the number of public & private passenger vehicles, private goods transport vehicles and school vehicles has significantly increased. The number varies from village to village from 10 to 60 percent. Local people are happy with positive impacts in terms of mobility, transportation, accessibility of market, social respect resulted due to the construction of roads in the village.
8.	Any other relevant points	Due to increased mobility, transportation, accessibility of market and health facilities in the village, land value has also increased.

# Management Discussion & Analysis Report

#### 1. INDUSTRY

After a challenging year in 2020, the Global Aerospace & Defence (A&D) industry is expected to revive partially in 2021. However the recovery is expected to be uneven across the two key sectors, Commercial Aerospace and Defence. The Defence Sector is expected to remain stable in 2021, as most countries have not significantly reduced Defence budgets and remain committed to sustaining their military capabilities. However, due to disruption in the complex global supply chain, some Defence programs may face minor cost and time overrun in 2021.

#### 1.1 Global Scenario

- 1.1.1 Commercial Aerospace Sector has got major hit by the COVID-19 pandemic, globally and in India. Global air traffic has dramatically decreased as the world fights the coronavirus and countries imposed restriction on international flights. As per an industry report the global Aerospace & Defence market is expected to grow from \$736.36 billion in 2020 to \$774.54 billion in 2021 at a growth rate of 5.2%. The growth is mainly due to the companies recovering their operations from the COVID-19 impact.
- 1.1.2 In Defence Sector, as per SIPRI report (Trends in World Military Expenditure 2020), World military expenditure was \$1981 billion in 2020, an increase of 2.6% on 2019 in real terms. Total world military spending accounted for 2.4% of global Gross Domestic Product (GDP) in 2020.

#### 1.2 The Indian Scenario

- 1.2.1 The Indian Aerospace and Defence (A&D) Industry is dominated by Defence sector. The major players of Indian A&D industry are Defence Public Sector Undertaking (DPSU) companies those have controlling stake of Government of India in them. Therefore Defence projects, policies and funding of GoI plays crucial role in development of A&D industry in India.
- 1.2.2 As per SIPRI report (Trends in World Military Expenditure 2020), India is at 3<sup>rd</sup> position in world in terms of military spending with \$ 72.9 billion in 2020. This was 2.1% higher than in 2019 and it is 2.9% spending as a share of Indian GDP.
- 1.2.3 In the Union Budget 2021-22, ₹4,78,196 Crore have been allocated for Defence. This includes expenditure on Salaries, Pensions, Modernization of the Armed Forces, Production Establishments, Maintenance and R&D Organisations. This is 1.3% lesser than ₹4,84,736 Crore (RE for FY 2020-21). Under "Aircraft and Aero-engine" category, Indian Army has received an allocation of ₹4,224 Crore, Indian Navy has received an allocation of ₹5,511

- Crore and Indian Air Force has received an allocation of ₹ 24,268 Crore, summing to a total allocation of ₹ 34,003 Crore for Aircraft and Aero-engines.
- 1.2.4 In the recent years, significant impetus has been given by the Government to develop and strengthen the A&D Industry in the country. The Defence Acquisition Procedures (DAP-2020) which promotes higher indigenous content in the Defence procurements has been rolled out and being finalized. The MSMEs are also in focus for capability and capacity development to support A&D Industry ecosystem in the country.
- 1.2.5 In 2020, various economic reforms have been announced to mitigate effects of COVID-19 on Indian economy. Increasing Foreign Direct Investment limit in Defence manufacturing from 49% to 74% under the automatic route and creating a positive list for weapons and Defence Platforms are the steps taken to reduce Defence import bill and make the country self-reliant in Defence.

#### 2. ORGANISATION STRUCTURE

- 2.1 Presently, HAL has 20 Production and 10 R&D Centres co-located with the Production Divisions, located at nine geographic locations across the country. These Divisions are organized into five complexes. The detail of the Complexes with major operations are as under:
  - Bangalore Complex (BC): Production and ROH of Fixed-wing Aircraft and Engines (Indian and Western origin), Spacecraft Structures, Castings, Forgings & Rolled Rings.
  - MiG Complex (MC): Production and ROH of Fixedwing Aircraft and Engines (mainly Russian origin).
  - Helicopter Complex (HC): Production and ROH of Helicopters (Indian and Western origin).
  - Accessories Complex (AC): Production and ROH of Transport Aircraft. Production and ROH of Accessories and Avionics for Fixed-wing and Rotarywing Platforms (Indian, Russian and Western origin). Depot Level Maintenance of UAVs.
  - Design Complex (DC): Design & Development of Fixed-wing and Rotary-wing Aircraft, Unmanned Aerial Vehicles (UAV), Aero-engines, Avionics and Accessories.
- 2.2 BC, MC, HC and AC are headed by Chief Executive Officers (CEOs). Head of Divisions under each complex reports to the respective CEOs, whereas Head of R&D Centres under Design Complex report to Director (Engineering and R&D). All the Directors and CEOs report to CMD.

#### 3. SWOT ANALYSIS

3.1 SWOT Analysis is the tool to assess internal strengths and weaknesses of the organization as well as to identify potential opportunities and threats in its external environment. The SWOT analysis of the Company is as follows:

# Strength

- The capability to cater a large spectrum of aerospace business which includes D&D, manufacturing and MRO of the Fixed-wing, Rotary-wing, Aero-engines, LRUs and airborne systems.
- Expertise in aircraft upgrade for the Defence customers which includes major changes like re-engining, avionics upgrade, and weapon system integration.
- Expertise in Transfer of Technology (ToT) absorption and production. Successfully completed ToT and production of Jaguar, Hawk, MiG-21, MiG-27, Su-30MKI, Cheetah and Chetak Helicopter.
- Expertise in D&D of utility and combat helicopters.
   A wide range of helicopter platforms like ALH, LCH,
   Rudra and LUH have been offered to the customers.
- Trusted partner of Indian Defence Forces for providing support to its aging (some of which are more than 40 years) and obsolete fleets.

#### Weakness

- Dependency on foreign OEMs for critical materials and LRUs.
- Little presence outside India in export market.
- The Company cash flow mainly depends on the allocation of the budget by the MoD.

#### Opportunity

- Policy reforms in the Country to promote Defence manufacturing.
- Focus of Government to reduce Defence import bill.
- Growing civil aviation market in India. Reduction in GST for Civil MRO.
- Developing potential market for regional jets in India.
- Growth potential through alliance and partnership for global markets.

#### Threat

- Change in preference of Defence customers by moving away from single source to multiple sources.
- Collaborations of Global OEMs with private companies and capability building by them.
- The Strategic Partnership (SP) Model which is exclusively for private companies, deprives HAL of some high value Defence orders.
- Competition from foreign companies due to increase of FDI limit from 49% to 74% through the automated route.
- COVID-19 specific risks: Economic depression, downsizing of Defence budget, Supply chain disruptions, failing of vendors, legal complications etc.

#### 4. OUR STRATEGIES

- 4.1 We intend to pursue the following principal strategies to exploit our competitive strengths and grow our business:
  - Expand our operations through partnerships and collaborations.
  - Enhance customer satisfaction.
  - Diversify into civil market for both manufacturing and service opportunities.
  - Develop in-house capabilities to design and develop specialised products.
  - Optimize operations to become a lead integrator of aircraft platforms.
  - Enhance indigenisation to ensure higher indigenous content in our products.
  - Exploring global market and export opportunities.
  - Focus on increasing operational efficiencies by adapting latest technologies.

### COVID-19 IMPACT ON THE INDUSTRY AND RECOVERY MEASURES

5.1 Due to COVID pandemic situation in the country, the Company's operations was disrupted in the first quarter of the financial year resulting into loss of Standard Man Hours (SMH). However, the Company had recovered from the impact in the subsequent quarters of the financial year. Similar situation was there in the first quarter of the Financial Year 2021-22, but having had experience of the last year first quarter and first pandemic wave, the Company was well prepared and equipped to handle the situation.

#### 6. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

6.1 The Ministry of Corporate Affairs vide Notification No 1/2/2014-CL-V dated February 23, 2018 has exempted Companies engaged in Defence Production to the extent of application of Ind AS 108 on "Operating Segment". Disclosure in this regard has been made at Clause No. 37 of Note No. 49 to the Accounts.

#### 7. OUTLOOK

- 7.1 During the FY 2021-22, defence budgets and revenues for defence contractors are expected to remain largely stable, as military programs continue to be critical to national Defence, especially considering geopolitical tensions. Global Defence spending is expected to grow about 2.8% in 2021, crossing the \$2 trillion mark. Countries across the globe continue to spend on strengthening their militaries as geopolitical tensions intensify despite the global pandemic.
- 7.2 Both military and commercial aerospace sectors have good growth potentials in India. During the FY 2021-22, the total allocation to the three forces (including pensions) is ₹4,51,704 Crore (94% of the total Defence Budget). The rest of the allocation is towards research and development and defence services ordinance factories. Nearly 61% of the defence budget is allocated for the Army. 20% of the budget is allocated for the Air Force and 14% for the Navy.
- 7.3 The Global Airline industry and the related Aerospace Industry are some of the most impacted Industries because of the pandemic. By the end of April 2020, 80% drop in flight movement was recorded globally. International Air Transport Association IATA estimated (dated March 24, 2020) the loss of \$252 billion to the Airlines globally. Also, the regional jet segment is the emerging segment in the commercial aviation due to increased demand from Asia Pacific, Middle East and Latin America. As per prepandemic estimation there is a demand of more than 5000 regional jets in next 20 years. As per pre-COVID estimations Indian aviation market was expected to become world largest by 2024. India has plans to develop civil aviation in the country through regional connectivity of its tier-2 cities. Government has also launched UDAN Scheme for the purpose. The Government has targeted to build 100 new airports to boost UDAN.
- 7.4 The possible opportunities available in post-pandemic scenario are:
  - Inclination of Indian Government towards domestic products for developing a self-reliant economy brings greater opportunities for new order.
  - The stability of military sector during the time of crisis will entice commercial players to diversify in to

- military sector as risk aversion strategy. This will bring opportunities for HAL to diversify in to commercial sector by forming strategic alliance with such companies.
- 7.5 The Aerospace Industry has always been capital-intensive with high technological requirements and long gestation periods. In addition, the industry has challenges in supply chain, and has to contend with costly raw material, unavailability of skilled labour, technological requirements and multiple suppliers. The Government is supporting the industry through the creation of Defence Industry Corridors and Special Economic Zones (SEZ). This will help Micro, Small and Medium Enterprises (MSMEs) that supply components and sub-assemblies to large manufacturers. The long gestation period and capital intensity often creates entry barriers for MSMEs in this sector. SEZ would make it easy for companies to have access to talent and create synergies on logistics.
- 7.6 Since the industry needs a skilled talent pool for this highly specialized industry, the initiation of the Government to create skill centers, educational institutions and universities that are tailor-made for the Aerospace Industry will significantly help in making India a preferred manufacturing destination.
- 7.7 To align HAL's new line of thinking and sprit to achieve business excellence, new Vision and Mission statements have been formulated. Accordingly, the Board of Directors of the Company has approved the "Corporate Perspective Plan and Design Prospective Plan 2021-2030" to address the dynamic changes in external and internal environment conditions and to prepare various strategies and plans to keep the Company in competitive position and achieve significant growth.

#### 8. RISKS AND CONCERNS

The major risks and concerns of the Company are:

- Risk of economic depression, downsizing of Defence budget, Supply chain disruptions, failing of vendors, legal complications etc. due to COVID-19 pandemic.
- Dependence heavily on Ministry of Defence (MoD) contracts, quantum of allocation of defence budget and timely allocation of budget.
- Competition from domestic and foreign players.
- Dependence on OEMs for supply of various components and Spares required for the manufacture and overhaul of Aircraft/ Helicopters.
- Risk of Exchange Rate Variation.
- Risk of natural disasters.

#### 9. MEASURES TO TACKLE CHALLENGES

9.1 The measures taken by the Company to address the challenges, concerns and risks are as follows:

#### **Strategic Challenges**

- The Company is focusing on diversification and enhance its revenues from commercial/civil sector to maintain the growth and mitigate the risks of skewed Sales Portfolio toward Defence.
- The Company is focusing on forming strategic alliance with global aerospace Companies to expand its exports market and revenue from exports.

# **R&D Challenges**

- The Company is putting focus on market oriented products and technology developments to complement with Company goals to expand in commercial and export market.
- The Company has always focused on participation of academia with Industry. Over the years, the Company has established chairs at IITs and IISc to benefit from technological developments and their application in our R&D programs.
- The Company is focusing on enhanced participation of specialized Startup Companies in R&D and technology development.

#### **Marketing Challenges**

 The Company is putting enhanced impetus on strengthening and leveraging Marketing and Business Development to complement business expansion goals.

# **Operational Challenges**

- The Company is focusing on enhanced digitalization and IT enabled systems for speedy communication and decision making.
- The Company is focusing on use of advanced materials, Advanced Manufacturing Technologies and automation to improve product quality and achieve operational efficiencies.

# **10. CUSTOMER ORIENTATION**

10.1HAVAI (HAL-Vayusena) Portal with a feature of Online Budgetary Quote submission was inaugurated during Aero-India 2021. The E-Portal is developed as a part of Inter-Organisation Information Sharing system (IOIS) under 'Digital India' initiative. Such an initiative has been taken up between two Government organisations (IAF and HAL) for the first time. This portal will optimize

- long-term material planning and increase the serviceability of fleet. It will also reduce the time for finalisation of tasking and Budgetary Quotation process.
- 10.2To ensure better support and coordination with Customer. Training and Workshops with respect to various fleets were conducted.
- 10.3 An Inter-Divisional team led by a Senior Officer set up to improve serviceability and availability of LCAs with IAF.

#### 11. INTERNAL FINANCIAL CONTROLS

- 11.1The Company has set up proper and adequate Internal Financial Controls with respect to financial statements. Systems Audit is carried out by an internal team of officials with a combined finance and technical background. This is in addition to the internal audit by firms of Chartered Accountants/ Cost Accountants. Manuals pertaining to various functions/activities such as Purchase, Outsourcing, Stores, Accounts, Systems Audit etc., have been updated and implemented. Any instance of material weakness in the operations, if observed, is followed up with necessary remedial measures and suitable disclosures have been made in the Notes to Accounts.
- 11.2The Statutory Auditors are also required to issue the Independent Auditor's Report vide Section 143(3)(i) of the Companies Act. The Report issued there upon has been attached along with the standalone and consolidated financial statements respectively.

# 12. DISCUSSION AND ANALYSIS OF FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

### Reason for significant changes in ratios:

- Debtors Turnover Ratio improved in FY 2020-21 due to improvement in collection from Customers by arranging necessary budget allocation from customers.
- Interest Coverage Ratio improved in FY 2020-21 due to improved collection from customers and consequent reduction in borrowings to fund the working capital requirements.

#### 13. HUMAN RESOURCE DEVELOPMENT

- 13.1During the year, focus of Human Resource Development continued to be in creating a performance driven culture with specific emphasis on developing Technical and Behavioral competencies of Employees. Additionally, a number of initiatives towards creating avenues for leadership development including selection of Officers for the 5<sup>th</sup> batch of Leadership Development Programme and towards e-enabling HR systems were carried out.
- 13.2A policy on Sponsorship of Officers for Online M.Tech (Aerospace Engineering) course at IIT Madras was notified. The policy entails to sponsor 20 Officers, every year, for a 3 year online programme. The objective of the Course is to enable technical expertise in the field of Aerospace Engineering to the Officers working in Design Disciplines.
- 13.3In furtherance to developing practices that have Competencies at the core, foundation was placed during the year to move towards creating Competency Based HR Practices. Role Directories have been created for 899 identified Roles (generic & specific) across the Company, delineating aspects like role requirements, role responsibilities, competencies etc.

#### 14. HAL MANAGEMENT ACADEMY

- 14.1The year 2020-21 was a challenging period amid pandemic and HMA took new initiatives in Learning & Development to ensure continuity of training activities in the Organization. Executives were encouraged to take up training in MOOC programs, live interactive classes on online platforms. Also, training programs were conducted for Bengaluru based executives in classroom mode at HMA Campus with limited participants ensuring social distancing norms. A total of 13,618 man-days of training was accomplished during the year. These include 77 online programs and 32 classroom programs.
- 14.2In order to encourage officers tap into the rich repository of knowledge in the MOOC programs offered by Global Institutions and Universities, the Company sponsored 347 executives to undertake such certification programs across a spectrum of knowledge areas. Further, the Academy developed its own online recorded modules on specific knowledge areas and offered it on its own LMS platform for knowledge dissemination across the organization.
- 14.3HMA received the prestigious National level award for innovative training practices instituted by the Indian Society for Training & Development (ISTD). 34 organizations participated in the event spread over two days and HAL was one of the eight organizations selected in the manufacturing sector. The final presentation was in Delhi on April 10, 2021 and HAL was declared the winner in manufacturing category.
- 14.4The Company conducted a HR Leadership Program for selected 20 Middle Level HR Managers to build capability in six specific areas of HR. The program was designed and developed in association with XLRI Jamshedpur. The workshop included officers working on six projects of importance for HAL, wherein the executives worked in groups under the guidance of Faculty from XLRI and HMA. The Projects were completed in December, 2020 with a presentation to the Management.
- 14.5Continuing the efforts to build a pipeline of leaders as part of succession planning, the 5<sup>th</sup> Batch of Leadership Development Program for 30 select senior executives of the Company was taken up by the Company during the year. The program will be held in seven phases including HMA, Divisions & External Institutes.
- 14.6In addition to the various training programmes, HMA has started AICTE approved 24-month Post Graduate Diploma programs in Aviation and Production Management disciplines for fresh graduates during the year. This program will train fresh Engineers to build the capabilities required for the expanding Aerospace ecosystem of the country.
- 14.7HMA has also formulated a 19 weeks training module in coordination with DGAQA for newly inducted 15 DGAQA Probationary Officers.

#### 15. SKILL DEVELOPMENT

- 15.15kill Development Policy for the employees in non-executive cadre has been introduced in HAL in July 2016 with an objective to enhance individual's skill, knowledge and understanding to achieve performance excellence by eliminating waste in terms of Rework, Rejection & Premature product failures, thereby enhancing productivity, quality & customer satisfaction and strengthening the competitiveness of the Company. This will help in creating a large base of quality conscious skilled workforce for the present and future projects.
- 15.2 Process of Skill Development in HAL: Functional analysis was done across all Divisions of HAL in which 181 Job Roles for the Technical & Non-Technical Employees have been identified and developed. The current skill and the performance level of an employee is mapped, in terms of productivity and quality, against the well documented Functional standards for a particular job role. The comparison results into single or multiple skill gaps. The skill gaps are then prioritized based on their impact on the output of the employee in terms of deliverables such as productivity, rework, rejections, number of nonconformances, repeated snags, etc. The skill gap of the employee is bridged through various forms of training by domain specialists based on specially designed Training Curriculum and Content, which is a total package of learning activities designed to achieve the objectives of training programs.
- 15.3A Compendium of 142 training curricula has been developed. A re-evaluation of skills and assessment is being followed after the training and coaching/mentoring so as to measure the improvements in skills. PDCA (Plan, Do, Check, Act) is conducted and corrective action is taken through training & coaching/mentoring for bridging the Skill gap.
- 15.4Kaushal Vikas Portal: A dedicated web portal for skill development called Kaushal Vikas Portal has been developed to handle the huge skill data of HAL that enables skill mapping of employees, updation of classroom training, shop-floor training/Work Place training, Coaching/Mentoring, TWI and Assessment.
- 15.5Recognition of Prior Learning (RPL) Program at HAL Divisions: RPL in Best in Class Employer's(BICE) category under Pradhan Mantri Kaushal Vikas Yojana(PMKVY) is being implemented in HAL for the tenure based technical employees. 203 tenure based technical employees working in HAL have undergone assessment and the certificates have been generated in the National Skill Development Corporation (NSDC) Portal under RPL against National Skill Development Agency (NSDA) approved job roles. The program was conducted with the help of Divisional Assessors in co-ordination with Aerospace and Aviation Sector Skill Council (AASSC) & Skill Development Unit

(SDU). The certification through RPL scheme will enhance the employability of tenure based technical employees after their term with HAL is completed.

#### 16. MANPOWER

Total	Officers Workmen			Total
Employees as on 31 <sup>st</sup> March 2021		Direct Indirect		Workmen
26,432	7,966	11,795	6,671	18,466

#### 17. ENVIRONMENT PROTECTION & CONSERVATION

The Divisions of the Company at different locations viz., Bengaluru, Nashik, Koraput, Hyderabad, Lucknow, Kanpur, Korwa, Kasaragod and Barrackpore have taken various measures towards Environment Protection & Conservation, governed by various Acts & Rules like the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016, Solid Waste Management Rules, 2016, Air Prevention and Control of Pollution Act (1981), Environment (Protection) Act, 1986, Water (Prevention and Control of Pollution), Act, 1974, e-Waste (Management) Rules, 2016, etc. All the Divisions are ISO 14001 certified and comply with the rules prescribed by respective State Pollution Control Boards. All emissions and waste generation is monitored as prescribed by the Pollution Control Boards.

**Solid Waste Management:** Municipal Solid Waste (MSW) is generated from Townships and Factories. Segregation of MSW at source is being implemented in Townships (Wet, Dry, Garden, Sanitary and Rejects). In Factories, Wet, Dry and Garden waste are segregated. Through the process of Vermi-Composting, the Bio-degradable waste comprising of domestic waste and horticulture waste is being converted to manure. The Company has installed Solid Waste Management Units like Organic Waste Converters and Bio Gas Plants at select places, for better utilization of biodegradable waste generated from HAL Estates.

Hazardous Waste Management: The divisions which use and generate hazardous effluents such as chrome, acid/alkali, cyanide etc are having independent Effluent Treatment Plants (ETPs) for treatment. The waste water discharged from the ETPs is tested and further treated in Sewage Treatment Plants (STPs) if meeting the norms. The water processed in the STPs is being used for horticulture purposes within the Divisions and no waste water is discharged to the public areas. The sludge generated from the STPs is converted into manure and reused.

**e-Waste Management:** The Company, as part of its operations, generates e-waste from old Electrical and Electronics Systems such as LRUs, Avionics Control / Test Systems, Electronics Items in Plant & Machinery, Computer Systems (IT) and Communication Systems, which needs to be disposed after their life expiry or damage. Apart from production activities,

e-waste is also generated in HAL Townships which is segregated and collected at source. The e-waste generated & collected is stored in designated areas (under cover) and auctioned through MSTC Limited (Central PSU) for disposal through authorized Dismantlers / Recyclers / Refurbishers.

**Waste Oil Management:** Waste Oil produced during maintenance / overhauling of equipment, vehicles and machinery is collected at source in leak proof containers. The same is stored safely in demarcated areas inside salvage yards and handed over to recyclers authorized by the respective Pollution Control Boards, through MSTC.

At Bengaluru, the Company has taken an initiative towards recycling and reusing the waste paper generated from various offices of HAL, Bengaluru by setting up a Waste Paper Recycling Unit (75kg / day). Various products made from the unit include Writing Pads, Visiting Cards, Bags, Files, Folders, etc.

The Company has been planting saplings every year. The Division-wise details of saplings planted during the years 2020-21 & 2019-20 are as indicated below:

SI. No.	Name of the Division / Complex	Total number of Saplings planted durin	
		2020-21	2019-20
1	Bangalore	1,002	15,057
2	Koraput	2,600	37,924
3	Nashik	850	4,666
4	Korwa	1,251	3,000
5	Lucknow	16,630	308
6	Barrackpore	564	15,136
7	TAD, Kanpur	5,600	786
8	Hyderabad	11,905	3,000
	Total	40,402	79,877

Rain Water Harvesting (RWH): The Company has installed Rain Water Harvesting (RWH) systems at all its locations. The stored water is used for gardening and other non-potable uses. Rain Water Harvesting Systems are made compulsory in all new Buildings.

# Certificate on Corporate Governance

To,

The Members of Hindustan Aeronautics Limited Bengaluru

We have examined the compliance of Corporate Governance by Hindustan Aeronautics Limited, as stipulated in Regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and Para C and D of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Guidelines on Corporate Governance for Central Public Sector Enterprises issued by the Department of Public Enterprises, for the financial year ended March 31, 2021.

The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the review of procedures and implementation thereof adopted by the Company for ensuring compliance of the conditions of corporate governance as stipulated in the said regulations.

On the basis of our findings from the examination of the records produced and information furnished to us, in our opinion, the Company has complied with the conditions of Corporate Governance as stipulated in SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Guidelines on Corporate Governance for Central Public Sector Enterprises issued by the Department of Public Enterprises, for the financial year ended March 31, 2021 except to the extent of following:

### Section E: Principle - wise performance

#### Principle 1

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the Group/ Joint Ventures/ Suppliers/ Contractors/ NGOs/ Others?

The policy covers the Company. In addition, the Company has adopted Integrity Pact with all vendors/ suppliers/ contractors/ service providers for all Orders/Contracts of value ₹500 lakhs & above. The Integrity Pact essentially envisages an agreement between the prospective vendors/bidders and the Principal(HAL), committing the Persons/officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders, who commit themselves to such a Pact with the Principal, would be considered competent to participate in the bidding process. Integrity Pact, in respect of a particular contract, would be operative from the stage of invitation of bids till the final completion of the contract. Any violation of the same would entail disgualification of the bidders and exclusion from future business dealings.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof.

During the year, 237 investors' complaints were received and all have been resolved.

#### **Principle 2**

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities?

None

- 2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):
  - (a) Reduction during sourcing / production /distribution achieved since previous year throughout the value chain?

    Not Applicable
  - (b) Reduction during the usage by the consumers (energy, water) has been achieved since previous year? Not Applicable
- 3. Does the company have procedures in place for sustainable sourcing (including transportation)?

The Company follows procurement plan to cater the requirements for all the firm orders received, by entering into Long Term Business Agreements with the suppliers valid for 3-5 years. This ensures that the vendors have the visibility and firm orders for the period of 3-5 years and consequently Company will secure timely delivery.

Company also has long term arrangements for ensuring timely movement of material from suppliers spread widely.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

HAL has taken steps to procure goods and services from Micro and Small Enterprises as per the policy of Govt.

To improve capacity and capability of local and small vendors following facilities/benefits are provided to MSEs:

# Independent Auditor's Report

To The Members of Hindustan Aeronautics Limited
Report on the Audit of the Standalone Financial Statements

## **Opinion**

We have audited the Standalone Financial Statements of **Hindustan Aeronautics Limited** ("the Company") which comprise the Balance Sheet as at 31<sup>st</sup> March 2021 and the Statement of Profit and Loss (including Other Comprehensive Income), (Statement of Changes in Equity) and the Statement of Cash Flows for the year then ended, and Notes to the Standalone Financial Statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the standalone financial statements" )in which are included the returns of 27 divisions for the year ended on that date audited by the Division Auditors of the company.

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and the Profit, (Changes in Equity ) and its Cash Flows for the year ended on that date.

# **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Emphasis of Matter**

1) **Due to Covid – 19 pandemic - Second Wave**, lockdown and restrictions on travel and resources deployment were imposed by the Central / State Government, State Local authorities during the period of Audit. As a result, complete onsite (physical) audit could not be conducted in certain divisions and therefore, we have relied on the schedules / notes / approvals/ other supporting evidences that were made available to us through e-mails and other technology platforms to complete the audit. Consequently, we relied on alternate audit procedure as per Standards on Auditing prescribed by ICAI.

Our opinion on Standalone financial results is not modified in respect of the above matter.

- 2) Attention is invited to Notes to the Financial Results extracted below:
- a) Note: 49 (33) (g)

# **COVID-19 Impact**

Current year Impact:

Due to lockdown imposed to contain the spread of COVID-19 pandemic, the Company's manufacturing facilities were temporarily shut down during April 2020. The activities resumed from 28<sup>th</sup> April 2020 with precautions, reduced availability of manpower and disrupted supply chain, resulting in lower turnover and consequent lower profit during the first half of the financial year 2020-21. However, during the second half of the financial year 2020-21 near normalcy is restored in the operations. The Company improved its turnover and profitability as compared to the financial year 2019-20.

Anticipated Future Impact:

Based on the information available (internal as well as external) up to the date of approval of this financial result, Company expects to recover the carrying amount of Intangible assets, Inventories, Property, Plant and Equipment's, Lease, Financial Instruments, Trade Receivables etc. Efforts are being made to minimize the impact. The Company will continue to closely monitor the developments, the future economic and business outlook and its impact on Company's future financial statements with a view to minimize the Covid impact.

Second wave of Covid impact

Second wave of Covid-19 has forced the company to declare for a phased Lockdown at various divisions on substitution basis during April and May 2021. The Employees will put in additional hours for the lost hours during lockdown period. It is therefore, expected that the lost man hours will be recovered in the coming months, hence no significant impact is anticipated.

# b) Note no :49 (1)(b)

Revision of pay scales of executives and workmen, with effect from 01.01.2017 was implemented in accordance with the guidance issued by DPE vide OM dated 03.08.2017 for Executives and in accordance with the Wage Agreement entered between Management and Employees Union representative in 2019-20 in respect of Workmen.

On an interpretation on Pay refixation and pursuant to the directives of Administrative Ministry, the pay fixation is being revised and the excess amount paid is to be recovered from Employees.

This has resulted in reduction of Salaries and wages by ₹ 14450 lakhs and a Consequential reduction in sales revenue by ₹ 5677 Lakhs.

Our opinion is not modified in respect of these matters.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

# **Key Audit Matters**

# a) Revenue recognition

('Ind AS 115')

The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

# **Response to Key Audit Matters & Conclusion**

Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- Evaluated the appropriateness of the disclosures provided under the revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures.
- Evaluated the design of internal controls relating to implementation of the revenue accounting standard.
- Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- Selected a sample of continuing and new contracts and performed the following procedures:
- Read, analyzed and identified the distinct performance obligations in these contracts.
- Compared these performance obligations with that of identified and recorded by the group.
- Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable revenue.
- Examination of the correspondence relating to price revision and ascertained the reasonableness of the estimates.

# **Key Audit Matters**

# **Response to Key Audit Matters & Conclusion**

 Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.

# b) Impairment of Trade Receivables

In respect of receivables from Government the company does not make any impairment provision based on past experience.

The amount involved being significant balance and management judgement we consider this as a Key Audit Matter.

### We have verified the

- Effectiveness of internal controls in place and procedures followed in identifying the recoverability of long outstanding dues.
- ii) The procedures and follow up actions in ascertaining the impairment of receivables.

Our audit procedures include evaluation of provisions made for impairment in earlier years. We also made test checks of invoice wise collection details provided made in respect of in the five preceding financial years and we concluded the management assumption is reasonable.

# c) Recognition and Impairment of Intangible assets A significant degree of judgement is required.

A significant degree of judgement is required to determine the Intangibles to be recognized and intangibles to be impaired. The company has substantial intangibles assets both under use and in progress. The recognition /impairment assessment involves technical and management estimates and Judgements.

In respect of intangible Assets which are under development and whose life is infinite the same was reviewed by internal technical team as at the end of the reporting period and necessary impairment, if any, is recognized. Our audit procedures involved the test check of verification of internal controls and incurrence of expenditure on intangible assets. We also reviewed the report of the Technical committee constituted to review the Intangibles Assets – development expenditure who have given a recommendation of the Intangible assets to be recognized and assets to be impaired in the Financial year.

Based on the audit procedures as above we find the recognition and impairment provision have been made accordingly.

# d) Work - in - Progress (WIP) - Inventories

Inventories include Work in Progress which have been physically verified by the management based on physical verification instructions. Due to COVID – 19 lockdown we were not present during physical verification.

Our Audit Procedures include review of

- Physical Verification instructions
- Physical verification reports
- Roll back procedures
- Examining the basis of valuation on a test check basis

Based on the above audit procedures we conclude that the valuation of WIP is proper.

We have verified the inputs given to the Actuary for valuation and the disclosures made

# e) Remeasurement of Employee Benefits Provident

The exempt provident fund set up by the company is a defined benefit plan under Ind AS 19 Employee Benefits.

Provident Fund for eligible employees is managed by the Company through a trust in line with the Provident Fund and Miscellaneous Provision Act, 1952. The plan guarantees interest at the notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Company or retirement, whichever is earlier. The benefits vests immediately on rendering of the services by the employee.

# **Key Audit Matters**

The minimum interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust (including investment risk fall) and the notified interest rate.

The Company has obtained actuarial valuation report on the determination and disclosure of interest rate Guarantee & Diminution of Asset Values as per IND AS19 of Employees Exempt Provident Fund of HAL for the period ended 31st March 2021.

In view of uncertainties regarding recoverability of certain investment in ILFS, Dewan Housing, Reliance Capital, syntax, Srei equipment finance etc., during the year ended 31<sup>st</sup> March, 2021, the Company has provided ₹7832 lakhs being the shortfall arising on account of asset diminution and change in re-measurement of the defined benefit plans etc., which has been recognized in "other Comprehensive Income" and Other Financial Liabilities.

# f) Revision of pay

Revision of pay scales of executives and workmen, with effect from 01.01.2017 was implemented in accordance with the guidance issued by DPE vide OM dated 03.08.2017 for Executives and in accordance with the Wage Agreement entered between Management and Employees Union representative in 2019-20 in respect of Workmen.

During the FY 2018 – 2019, C&AG raised a draft para on the methodology of fixation of basic pay by HAL. It was referred to the Department of Defence Production, MOD being the Administrative Ministry for resolving the interpretation issue.

During the current financial year, based on the directives of the Administrative Ministry, the pay fixation is proposed to be rectified and the excess amount paid will be recovered from the employees.

This being a change in the accounting estimate, an amount of ₹14450 lakhs is credited to Salaries and Wages and included as part of claim recoverable in Note No.19 based on the inputs available at present. This has resulted in reduction in the sales revenue by ₹ 5677 lakhs.

# **Response to Key Audit Matters & Conclusion**

We have verified the Draft Audit para given by PDCA Bangalore, and the directives given by the Administrative Ministry dated 07.04.2021.

We verified the internal control and the programme logic for recalculation of the employees cost and also made test check on walk through basis .Based on above audit procedure we find the reversal to Salaries and wages is Considered Satisfactory.

# Information Other than the Financial Statements and Auditors Reports Thereon

The company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's Report, Management Discussion & Analysis Report, Business Responsibility Report, but does not include the financial statements and our auditor's report thereon. The Board's Report, Management Discussion & Analysis Report, Business Responsibility Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

# Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act,2013("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, (Changes in Equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, The Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ♦ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♦ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# **Other Matter**

a) We did not audit the financial statements/ information of 27 Divisions included in the financial statement of the company whose financial statements/financial information reflect total assets of ₹ 2177916 Lakhs as at 31st March 2021 and the total revenue of ₹ 402472 lakhs for the year ended on that date, as considered in the standalone financial statements/information of these divisions have been audited by the division auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of divisions, is based solely on the report of such division auditors.

Our opinion is not modified in respect of these matters

# **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2016 (" the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 we give in the "Annexure –B" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

  - c) The reports on the accounts of the divisions of the company audited under Section 143 (8) of the Act by the division auditors have been sent to us and have been properly dealt with by us in preparing this report.
  - d) The Balance Sheet, the Statement of Profit and Loss (the Statement of Changes in Equity) and Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the divisions not visited by us.
  - e) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - f) Ministry of Corporate Affairs vide notification no 1/2/2014-CL-V dated 23<sup>rd</sup> February 2018 has exempted the companies engaged in defence production to the extent of application of relevant Accounting Standard on Segment Reporting. In view of the above, no disclosure is made by the company as required by Ind AS 108. Subject to the above, we state that, in our opinion, the aforesaid standalone financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
  - g) In terms of circular NO. GSR 463(E) dated 05<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, Government of India, the company being Government Company, is exempt from the provisions of section 164(2) of the Act regarding disqualification of Directors.

- h) The provisions of Section 197 are not applicable to a government Company (in terms of MCA Notification NO.GSR 463 (E) dated 05th June 2015) as the managerial remuneration is paid as per the appointment letter from the Government of India.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements -Refer Note 49 (2) (b) to the financial statements.
  - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, on long-term contracts. The company does not have any derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor education and protection fund by the company.
  - iv. As required by section 143 (5) of the Act, we give in "Annexure C", a statement on the matters specified by the Comptroller and Audit General of India for the Company.

# ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF HINDUSTAN AERONAUTICS LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the Internal Financial Controls over Financial Reporting of HINDUSTAN AERONAUTICS LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

# **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls System over Financial Reporting.

# **Meaning of Internal Financial Controls over Financial Reporting**

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that:

- (i) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- (iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

# **Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF HINDUSTAN AERONAUTICS LIMITED, BENGALURU FOR THE YEAR ENDED 31 MARCH 2021.

The preparation of financial statements (standalone financial statement) of **Hindustan Aeronautics Limited, Bengaluru** for the year ended 31 March 2021 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 28 June 2021.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the financial statements of **Hindustan Aeronautics Limited**, **Bengaluru** for the year ended 31 March 2021. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. On the basis of my audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of Act.

For and on behalf of the Comptroller & Auditor General of India

(Santosh Kumar, IA&AS)
Pr. Director of Commercial Audit

& Ex-Officio Member, Audit Board, Bengaluru.

# 1. BASIS OF ACCOUNTING:

The Financial Statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of Companies Act, 2013 read with relevant rules of the Companies (Indian Accounting Standards)Rules.

### 2. USES OF ESTIMATES:

- a) Preparation of financial statements in conformity with the recognition and the measurement principle of Ind AS requires the management of the Company to make estimates, judgments and assumptions that affects the reported balances of Assets and Liabilities, disclosure relating to contingent liabilities as on the date of the Financial Statements and the reported amount of revenues and expense for the reporting period.
- b) Estimates and the underlying assumption are reviewed on an ongoing basis. The revision to the accounting estimates, if material is recognized in the period in which the estimates are revised.
- c) Estimates and judgments made in applying accounting policies that have significant effect on the amounts recognized in the financial statements are as follows:

# i. Employee Defined benefit plans

The liabilities and costs for defined benefit plans are determined using actuarial valuations. The actuarial valuation involves making assumptions. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

# ii. Provisions and contingencies

Assessments undertaken in recognising provisions and contingencies have been made as per the best judgment of the management based on the current available information.

# iii. Income Taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

# 3. PROPERTY, PLANT AND EQUIPMENT(PPE):

- a) Property, Plant and Equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- b) The cost includes purchase price, import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any cost directly attributable including borrowing cost on qualifying assets to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- c) Subsequent expenditure relating to PPE including major inspection costs, spare parts, standby and servicing equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.
- d) In accordance with Ind AS 101-First Time Adoption of Indian Accounting Standards, the Company had chosen to consider the carrying value for all its PPE as their deemed cost at the Opening Balance Sheet as at April 01, 2015.
- e) Depreciation is calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act 2013. Where the useful life of the asset is not as per Schedule II of the Companies Act 2013, the same is disclosed under Notes to Accounts.
- f) PPE individually costing ₹ 50,000 and below are fully depreciated in the year of purchase.
- g) Where part of an item of PPE with a cost significant in relation to the total cost of the item and have different useful lives, they are treated as separate components and depreciated over their estimated useful life.

- h) Certain items like Special Tools are amortized over the number of units of production expected to be obtained from the asset based on technical assessment and management estimates depending on the nature and usage of the respective assets.
- i) CSR Assets are fully depreciated in the year of capitalization.
- j) The cost and the related accumulated depreciation are eliminated from the Financial Statements upon sale or de-recognition or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss of the relevant period.
- k) The estimated useful lives, residual values and depreciation / amortisation method are reviewed at the end of each reporting period with the effect of changes in estimates accounted for on a prospective basis.

# 3.1: Capital Advances and Capital Work in Progress (CWIP)

- Advances given towards acquisition of PPE outstanding at each Balance sheet date are disclosed as other Noncurrent assets.
- b) Cost of Assets not ready for its intended use as on the Balance sheet date is shown as CWIP. Such properties are classified to the appropriate categories of PPE when completed and ready for its intended use.
- c) Depreciation on such assets commence when the assets are ready for their intended use.

### 4. INVESTMENT PROPERTY

- a) A property is considered as investment property only if the same is held for earning rentals and /or for capital appreciation or both. Properties held by the Company (directly or indirectly) which are used in the production of supply of goods or services for administrative purposes are not considered as Investment Property.
- b) Investment Properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. In accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards, the Company has chosen to consider the carrying value for all its Investment Property recognized in its Indian GAAP financial statement as their deemed cost as at the transition date viz, April 01, 2015.
- c) Depreciation is calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act 2013. Where the useful life of the asset is not as per Schedule II of the Companies Act 2013, the same is disclosed under Notes to Accounts.

# 5. INTANGIBLE ASSETS

- a) Intangible Assets controlled and from which future economic benefits are expected to flow and having useful life are recognized at cost less any accumulated amortization and accumulated impairment losses, if any.
- b) Development Costs having useful life and which will generate probable future economic benefits are recognized as an intangible asset and amortised over production based on technical estimate and to the extent not amortized are carried forward.
- c) Expenditure on license fees, documentation charges etc, based on the definition criteria of intangible assets in terms of reliability of measurement of cost and future economic benefits from the assets, are amortised over production based on technical estimates, and to the extent not amortised, are carried forward.
- d) The cost of software internally generated / acquired for internal use which is not an integral part of the related hardware, is recognized as an intangible asset and is amortised over three years, on straight line method. Amortisation commences when the asset is available for use.
- e) Expenditure on Research is recognized as an expenditure in the period in which it is incurred.
- f) Wherever it is not possible to assess the useful life of an intangible asset (whether or not significant) the same is not amortised. Impairment on such intangible assets are reviewed annually and when there is an indication of impairment, the asset is impaired.

# 6. LEASE ACCOUNTING

**6.1.** The Company recognizes, at inception of a contract a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

# 6.2. The Company as a lessee

- a) At the date of commencement of the lease, the Company recognizes a right-of-use ("ROU") asset representing its right to use the underlying asset for the lease term and a lease liability for all lease arrangements in which it is a lessee except for leases with a term of 12 months or less (short term leases) and leases for which the underlying assets is of low value. For such short term and assets of low value leases, the Company recognizes the lease payment as an expense on a straight line basis over the term of the lease.
- b) At commencement date the ROU asset is measured at cost. The cost of the ROU asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred. The ROU assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any.
- c) The ROU assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of ROU asset. The estimated useful lives of ROU assets are determined on the same basis as those of PPE. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.
- d) At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the Company's incremental borrowing rate.
- e) Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Short term lease payments and payments for leases of low value assets are classified as operating cash flows.

### 6.3. Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease.

# 6.3.1 Finance Lease:

- a) A lease that transfers substantially all the risks and rewards incidental to ownership of an underlying asset to the Lessee is classified as a finance lease. Title may or may not eventually be transferred.
- b) At commencement date, an amount equal to the net investment in the lease is presented as receivable. The interest rate implicit in the lease is used to measure the value of net investment in the lease.
- c) The finance income is recognized over the lease term in the statement of profit and loss account so as to reflect a constant periodic rate of return on the net investment in the lease.
- d) The de-recognition and impairment requirement of the underlying asset is tested as per Ind AS 109- Financial instruments
- e) Any modifications in the lease are accounted as a separate lease when the recognition criteria specified in paragraph 79 of the standard are met.

### 6.3.2 Operating Lease:

- a) Lease other than finance leases are operating leases.
- b) The lease payment from operating leases are recognized as income on either a straight-line basis or another systematic basic, if required.
- c) The expenses including depreciation cost associated with earning of the lease income is recognized as an expense.

- d) Depreciation on underlying assets subject to operating leases are calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act, 2013.
- e) Any modifications in the lease are accounted as a separate lease if the recognition criteria specified in the standard is met.

### 6.4. Transition to Ind AS 116

- a) Effective April 1, 2019, the Company has applied Ind AS 116 on Lease Accounting. Ind AS 116 replaces Ind AS 17. The Company has adopted Ind AS 116 using the cumulative effect method. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2019) and the comparative information continues to be reported under Ind AS 17.
- b) The Company has chosen the practical expedient provided by the standard to apply Ind AS 116 only to contracts that were previously identified as leases under Ind AS 17 and therefore has not reassessed whether a contract is or contains a lease at the date of initial application.

### 7. NON CURRENT INVESTMENTS

- a) In accordance with Ind AS 101, First time adoption of Indian Accounting Standards, the Company has chosen to consider the carrying amount of investment as their deemed cost as at the Opening Balance Sheet as at 01st April, 2015.
- b) Investments are carried individually at cost less accumulated impairment in the value of such Investments.
- c) Cost of Investment includes acquisition charges such as brokerage, fees and duties.
- d) The Company reviews the book value of the investment on a quarterly basis and provides for diminution in the value of the investment based on the net worth of the investee company.
- e) Impairment in the value of investment is made only if in the opinion of management when there is a permanent fall in value of investment.

# 8. IMPAIRMENT OF ASSETS

As at each Balance Sheet date, the carrying amount of assets is assessed as to whether there is any indication of impairment. If the estimated recoverable amount is found less than its carrying amount, the impairment loss is recognised and assets are written down to their recoverable amount.

### 9. FINANCIAL ASSETS AND FINANCIAL LIABILITIES

The Company recognizes all Financial Assets other than non-current investments and Financial Liabilities at Fair Value on inception and subsequent measurements are done at amortised cost.

# 10. DEFERRED DEBTS

Unpaid installment payments under deferred payment terms for the cost of imported materials and tooling content of the equipment / products sold are accounted as deferred debts from the customer and are recovered as and when the installments are paid.

# 11. TRADE AND OTHER PAYABLES

Liabilities are recognized for the amounts to be paid for the goods / services received whether billed by the supplier or not.

### 12. INVENTORIES

- a) Inventories are valued at lower of Cost and Net Realisable Value.
- b) The cost of raw material excluding Goods-in-Transit, components and stores are assigned by using the weighted average cost formula. Goods-in-Transit are valued at cost-to-date. In the case of Finished Goods, Stock-in-Trade and Work-In-Progress, cost includes costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost includes Taxes and duties (other than Taxes and duties for which input credit is available).

- c) Provision for redundancy is assessed on ageing at a suitable percentage / level of the value of closing inventory of raw material and components, stores and spare parts and construction material. Besides, wherever necessary, adequate provision is made for the redundancy of such materials in respect of completed / specific projects and other surplus / redundant material pending transfer to salvage stores.
- d) Saleable / Disposable scrap is valued at Net Realisable Value.
- e) Stores declared surplus / unserviceable / redundant are charged to revenue in the year of such identification.
- f) Consumables issued from stores and lying unused at the end of the year are not reckoned as inventory.

#### 19.3 PROVISION FOR ONEROUS CONTRACTS

A provision for onerous contract is recognized when the expected benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

### 20. ESTIMATES AND ERRORS

The Company revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied retrospectively unless it is impracticable to apply.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of profit and loss is applied prospectively in the period(s) of change.

When it is difficult to distinguish a change in an accounting policy from a change in an accounting estimate, the change is treated as a change in an accounting estimate.

Discovery of material errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities, and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

# Significant Accounting Policies for the financial year 2020-21

### 21. EVENTS AFTER THE REPORTING PERIOD

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted.

22. The functional currency of the Company is Indian Rupee.

### **Financial Risk Management**

The Company is exposed to market risk, credit risk and liquidity risk which may impact the fair value of its financial instruments. The Company, based on its business operation, evaluated the following risks:

#### a) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in exchange rates. The Company's exposure to the risk of changes in exchange rates relates primarily to the Company's imports for which the payment has to be done in currencies other than the functional currency of the Company. The fluctuation in exchange rates in respect to the Indian rupee may have very restricted impact on company as any fluctuations in foreign exchange are in general reimbursed by the customers of the Company in terms of the contractual obligations which the Company has with its customers.

#### b) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, loans & advances, advances given to suppliers (for procurement of goods, services and capital goods, cash & cash equivalents and deposits with banks and financial institutions). The Company for the Financial Year (FY) derived 92% (Previous year - 94%) of its total sales from sales to the Indian Defence Services. The Company expects to continue to derive most of its sales from the Indian Defence Services under the contracts of the Ministry of Defence (MoD), Government of India (GoI) - the Company's principal shareholder and administrative ministry.

Ageing Analysis of the Trade Receivables:

Ageing	0-30 days past due		61-90 days past due	91-120 days past due		more than 181 days past due	Total
Net carrying amount as at 31.03.2021	147291	53588	30297	66366	47707	218686	563936
Net carrying amount as at 31.03.2020	203823	107628	80880	125051	86273	519818	1123473

### c) Provision for expected credit losses:

As the Company's debtors are predominantly the Government of India (Indian Defence Services, Ministry of External Affairs), Central Public Sector Undertakings where the counter - parties have sufficient capacity to meet the obligations and where the risk of default is nil / negligible. Accordingly, no loss allowance for impairment has been recognized. Further, management believes that the unimpaired amounts that are due collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, no impairment loss has been recognized during the reporting periods in respect of trade receivables.

#### **Particulars**

#### d) Liquidity risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Typically, the Company ensures that it has sufficient cash on demand to meet expected operational expenses including the servicing of financial obligations. The Company's standard contract terms provide that, the Company receives advance payments from customers pursuant to the applicable contracts, including the Government of India and the Indian Defence Services at the time of signing of any contract and milestone payments on achievement of physical milestones. These payments are utilized to meet the Company's working capital needs (for the Company required to maintain a high level of working capital because the Company's activities are characterized by long product development periods and production cycles). A majority of the Company's research, design and development costs are funded by the Indian Defence services. Services and supply of spares are governed by the Fixed Price Quotation (FPQ) policy for fixation of the prices wherein the prices are fixed for the base year with escalation parameters for a pricing period of 5-7 years. The process of fixation of prices and approvals takes a minimum period of two years after the expiry of previous pricing period. In the interim, the approved prices of the previous pricing period are continued and payments are accordingly realised and on finalisation of the revised prices, the differential prices are paid to the Company. Further, certain costs not forming part of selling price are reimbursed by customer on incurrence of expenditure. The reimbursement is based on verification and issuance of audit certificate by the payees. There are delays in the above process due to unanticipated variations/adjustments in the scope and schedule of the Company's obligations due to subsequent modifications by the customers and delays in receipt of approvals from the customer. Further, payments to the Company by the Indian Defence Services are reliant on the continuing availability of budgetary appropriations by Government of India and any disruptions to the availability of such appropriations could adversely affect the Company's cashflows.

33

#### e) Market risk:

The Ministry of Defence (MoD) and the Government of India (GoI) have continued efforts to reform Defence related policies such as the Defence Acquisition Procedure 2020 ("DAP 2020") to promote private participation, a level playing field and the domestic Defence manufacturing Industry and eco-system. While the MoD has given the highest priority to Indigenously Designed, Developed and Manufactured ("IDDM") products for capital procurement, the Company faces competition to be selected as the Indian production agency for such contracts. These policies have raised the level of market competition in the areas in which the Company operates.

#### f) Risk Mitigation Process:

As a step of institutionalizing the risk management in the Company, an elaborate framework has been developed and the Company's top management has overall responsibility for the establishment and oversight of the Company's risk management framework. An important purpose of the framework is to have a structured and comprehensive risk management system across the company which ensures that the risks are being properly identified and effectively managed. The Company has a risk management policy to manage & mitigate these risks. The risk management process includes risk identification, risk assessment, risk evaluation, risk mitigation and regular review and monitoring of risks. The Company's risk management policy aims to reduce volatility in financial statements while maintaining balance between providing predictability in the Company's business plan along with reasonable participation in market movement.

### g) COVID-19 Impact

#### Current year Impact:

Due to lockdown imposed to contain the spread of COVID-19 pandemic, the Company's manufacturing facilities were temporarily shut down during April 2020. The activities resumed from 28<sup>th</sup> April 2020 with precautions, reduced availability of manpower and disrupted supply chain, resulting in lower turnover and consequent lower profit during the first half of the financial year 2020-21. However during the second half of the financial year 2020-21 near normalcy is restored in the operations. The Company improved its turnover and profitability as compared to the financial year 2019-20.

#### Anticipated Future Impact:

33

Based on the information available (internal as well as external) up to the date of approval of this financial result, Company expects to recover the carrying amount of Intangible assets, Inventories, Property, Plant and Equipment's, Lease, Financial Instruments, Trade Receivables etc. Efforts are being made to minimize the impact. The Company will continue to closely monitor the developments, the future economic and business outlook and its impact on Company's future financial statements with a view to minimize the Covid impact.

#### Second Wave of Covid-19 Impact:

Second wave of Covid-19 has forced the Company to declare for a phased lockdown at various Divisions on substitution basis during April and May 2021. The employees will put in additional hours for the hours lost during lockdown period. It is, therefore, expected that the lost man hours will be recovered in the coming months, hence, no significant impact is anticipated.

#### **Capital Management:**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital by using debt equity ratio, which is borrowings divided by Equity.

	Provision for Gratuity and Earned Leave has been made based on Actuarial Valuation. The date of Actuarial valuation as of 31.03.2021.
43	Employee Benefits:
	The Company has adopted the Ind AS-19 on Employee Benefits. Consequently, the liability thereon is accounted on the basis of actuarial valuation, and is being recognised as short-term benefits / long term benefits.

#### **Gratuity:**

The Company has a Gratuity Scheme for its employees, which is a funded plan. Every year the Company funds to the Gratuity Trust to the extent of shortfall of the assets over the fund obligations, which is determined through actuarial valuation. As per the Gratuity Scheme, Gratuity is payable to an employee on the cessation of his employment after he has rendered continuous service for not less than 5 (five) years in the Company. For every completed year of service or part thereof in excess of six months, the Company shall pay Gratuity to an employee at the rate of 15 (fifteen) days' emoluments based on the emoluments last drawn with a ceiling of ₹ 20 (twenty) Lakhs.

The following tables summarise the components of net benefit expense recognised in the Statement of Profit and Loss and the funded status and amounts recognised in the Balance Sheet for the plan as furnished in the Disclosure Report provided by the Actuary:

### **Gratuity:**

#### **Analysis of Defined Benefit Obligation:**

A split of the defined benefit obligation as at the valuation date between liability which has not vested and that which has fully vested is presented in the table below:

	Period Ended	
	31st March 2021	31 <sup>st</sup> March 2020
DBO in respect of non vested employees	534	815
DBO in respect of vested employees	176418	179039
Total defined benefit obligation	176952	179854

The component of the defined benefit obligation which is attributable to future salary increases is shown in the table below:

	Period Ended	
	<b>31st March 2021</b> 31st March 2020	
Defined benefit obligation without effect of projected salary growth	109200	107385
Plus effect of salary growth	67751	72469
Defined benefit obligation with projected salary growth	176951	179854

#### **Sensitivity Analysis:**

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Present value of obligation (PVO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

### Note 49 - Notes to Accounts

(₹ in Lakhs)

Clause No.	Particulars	Period Ended	
		31st Mar	rch 2021
		Discount Rate	Salary Escalation Rate
	Impact of increase in 50 bps on DBO	-5.06%	1.84%
	Impact of decrease in 50 bps on DBO	5.50%	-2.10%

Particulars	Period Ended		
	31 <sup>st</sup> March 2020		
	Discount Rate	Salary Escalation Rate	
Impact of increase in 50 bps on DBO	-5.02%	1.95%	
Impact of decrease in 50 bps on DBO	5.47%	-2.26%	

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The exempt provident fund set up by the company is a defined benefit plan under Ind AS 19 Employee Benefits.

Provident Fund for eligible employees is managed by the Company through a trust in line with the Provident Fund and Miscellaneous Provision Act, 1952. The plan guarantees interest at the notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Company or retirement, whichever is earlier. The benefits vests immediately on rendering of the services by the employee.

43B(i)

Salary escalation rate (p.a.)

The minimum interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust (including investment risk fall) and the notified interest rate.

The Company has obtained report on the determination and disclosure of interest rate Guarantee & Diminution of Asset Values as per Ind AS19 of Employees Exempt Provident Fund of HAL for the period ended 31st March 2021.

In view of uncertainties regarding recoverability of certain investment in ILFS, Dewan Housing, Reliance Capital, syntax, Srei equipment finance etc., during the year ended 31.03.2021, the Company has provided ₹ 7832 lakhs (Previous year - ₹ 28191 lakhs) which is included in re-measurement of the defined benefit plans etc., (refer Note - 47) which has been recognized in "Other Comprehensive Income" and Note 26 & Note 32 - Other Financial Liabilities.

	(VIII EURIS)
Clause No.	Particulars Particulars
	The Board in its 406 <sup>th</sup> meeting held on 22 <sup>nd</sup> September 2017, accorded in principle approval for voluntary winding up / closure of the three Joint Ventures i.e. M/s. HAL-Edgewood Technologies Private Limited, M/s. Tata HAL Technologies Ltd and M/s. Multirole Transport Aircraft Ltd. enabling the Company to take further action in the matter.
45B	Further, the Board authorized the Company to seek approval of Ministry of Defence (MoD), for short closure of the Contracts associated with the M/s Multirole Transport Aircraft (MTA) project and request MoD, to initiate necessary action for closure of IGA, as it is a prerequisite for winding up of the MTA - Joint Venture Company.
	Further in 435 <sup>th</sup> meeting held on 16 <sup>th</sup> March 2020, the Board has directed the Company to expedite the closure of M/s. Multirole Transport Aircraft Ltd at the earliest after taking clearance from Russian partners from their Board(refer Clause No.10).
	The Board in its 440 <sup>th</sup> meeting held on 9 <sup>th</sup> December 2020, accorded in principle approval for voluntary winding up / closure of Joint Venture M/s. Infotech HAL Limited (IHL) enabling the Company to take further action in the matter.
	Defence Innovation Organisation ("DIO"):
45C	A Section 8 Company has been formed (Under Companies Act 2013) in the name of "Defence Innovation Organisation" with M/s BEL with an authorised Capital of ₹ 100 lakhs (Paid up capital as on 31.03.2021 is ₹ 1 Lakh - HAL 50% Share and BEL 50% Share). The registered office of DIO is situated at Centre for Learning and Development, Bharat Electronics Limited, Jalhalli, Bengaluru – 560013, Karnataka, India. DIO was incorporated to implement the scheme of defence innovation fund initiative by creation of an ecosystem to foster innovation and technology development in defence.
	HAL Board in its 417 <sup>th</sup> meeting held on 30 <sup>th</sup> July 2018 had accorded approval for release of ₹ 5000 lakhs to DIO towards initial corpus fund in form of Grant in Aid in a staggered manner. Accordingly ₹ 500 lakhs has been released to DIO in the month of August 2018. The balance amount is recognised in financials of 2018-19.
45D	The Board in its 434 <sup>th</sup> meeting was informed that Government approval is not required for transfer of lease hold land to M/S Helicopter Engines-MRO Private Limited (HE-MRO), as it is neither Defence land nor it is a land owned by HAL. Board reconsidered the decision taken in its 431 <sup>st</sup> meeting and approved transfer of land without Government approval to M/s HE-MRO.
430	Meanwhile, considering the emerging situation due to Covid 19, it was decided to downsize the operation of the Joint Venture (Helicopter Engine MRO) to Zero level until further directions from the promoters. Joint Venture is placed in dormant mode and its operations will be reviewed by promoters in 2021. Hence execution of land transfer is also put on hold, till a decision is taken on the resumption of operation of Joint Venture.
45E	Impairment of Net worth as on 31.03.2021 has not been considered for the Joint Venture (JV) HE-MRO though the JV Board in its resolution down sized the operations of the Company w.e.f. 31st May 2020, as the management of JV indicated that there are positive indicators including the plan provided by Safran and HAL to support to the JV in the foreseeable future for meeting financial obligations, continuing technical, operational and Management support.
45F	Share Application money has been refunded by HE MRO in May 2020 as they have cancelled the Rights issue due to Covid 19 Crisis.

### Sensitivity of estimates on provisions:

The assumptions made for provisions relating to current period are consistent with those in the earlier years. The assumptions and estimates used for recognition of such provisions are qualitative in nature and their likelihood could alter in next financial year. It is impracticable for the Company to compute the possible effect of assumptions and estimates made in recognizing these provisions.

Provision for replacement and other charges represents, amounts towards expenditure incurred from the date of Signalling Out Certificate (SOC) to date of ferry out, loan items taken from the customer which needs to be replaced etc.

Warranty represents Performance Warranty for manufacture, repair and overhaul of Aircraft / Helicopters/ Engines / Rotables, supply of spares and development activities etc.

Provision for Redundancy in Raw Material and Components, Stores and Spares, Construction Material and Loose Tools represents provision on redundancy of such materials, completed / specific projects and other surplus / redundant materials pending transfer to salvage stores etc.

Provision for Liquidated Damages represents amounts provided for the period of delay between the due date of supply of the Goods / rendering of services as per delivery schedule and the expected Date of delivery of said Goods / rendering of service in respect of manufacture / repair and overhaul of Aircraft / Helicopters/ Engines / Rotables, supply of spares and development activities etc.

Provision for doubtful debts is being assessed on a case to case basis in respect of dues outstanding for a significant period of time. Debts from the Government departments are generally treated as fully recoverable and hence the Company does not recognize credit risk of such financial assets.

Provision for doubtful claims represents provision on expected credit losses.

Impairment in value of investment represents reduction in the share of net worth below investment.

Provision for Onerous contract has been recognised as the cost of meeting obligations is over and above the economic benefits expected to be received under it.

### **Recent pronouncements**

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

### **Balance Sheet:**

53

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

### Statement of profit and loss:

Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or
virtual currency specified under the head 'additional information' in the notes forming part of the standalone
financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

# Independent Auditor's Report

To the Members of Hindustan Aeronautics Limited Report on the Audit of the Consolidated Financial Statements

### **Opinion**

We have audited the accompanying Consolidated Financial Statements of **Hindustan Aeronautics Limited** (hereinafter referred to as "the Holding Company") and its Subsidiaries (Holding Company and its Subsidiaries together referred to as "the Group") and its Joint ventures listed in Annexure A, which comprise the Consolidated Balance Sheet as at March 31, 2021 and the Consolidated Statement of Profit and Loss, (the Consolidated Statement of Changes in Equity) and the Consolidated cash flows statement for the year then ended and notes to the Consolidated financial statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the consolidated financial statements".)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group and its Joint Ventures as at March 31, 2021, of Consolidated Profit, (consolidated statement of changes in equity), and its consolidated cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the group and its Joint ventures in accordance with the ethical requirements relevant to our audit of the consolidated financial statements in India in terms Code of Ethics issued by ICAI, and the provisions of the Companies Act 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

1) **Due to Covid – 19 pandemic - Second Wave**, lockdown and restrictions on travel and resources deployment were imposed by the Central / State Government, State Local authorities during the period of Audit. As a result, complete onsite (physical) audit could not be conducted in certain divisions and therefore, we have relied on the schedules / notes / approvals/ other supporting evidences that were made available to us through e-mails and other technology platforms to complete the audit. Consequently, we relied on alternate audit procedure as per Standards on Auditing prescribed by ICAI.

Our opinion on Standalone financial results is not modified in respect of the above matter.

- 2) Attention is invited to Notes to the Financial Results extracted below:
- a) Note:49 (33) (g)

### **COVID-19 Impact**

Current year Impact:

Due to lockdown imposed to contain the spread of COVID-19 pandemic, the Company's manufacturing facilities were temporarily shut down during April 2020. The activities resumed from 28<sup>th</sup> April 2020 with precautions, reduced availability of manpower and disrupted supply chain, resulting in lower turnover and consequent lower profit during the first half of the financial year 2020-21. However, during the second half of the financial year 2020-21 near normalcy is restored in the operations. The Company improved its turnover and profitability as compared to the financial year 2019-20.

Anticipated Future Impact:

Based on the information available (internal as well as external) up to the date of approval of this financial result, Company expects to recover the carrying amount of Intangible assets, Inventories, Property, Plant and Equipment's, Lease, Financial Instruments, Trade Receivables etc. Efforts are being made to minimize the impact. The Company will continue to closely monitor the developments, the future economic and business outlook and its impact on Company's future financial statements with a view to minimize the Covid impact.

Second wave of Covid impact

Second wave of Covid-19 has forced the company to declare for a phased Lockdown at various divisions on substitution basis during April and May 2021. The Employees will put in additional hours for the lost hours during lockdown period. It is therefore, expected that the lost man hours will be recovered in the coming months, hence no significant impact is anticipated.

### b) Note no:49

Revision of pay scales of executives and workmen, with effect from 01.01.2017 was implemented in accordance with the guidance issued by DPE vide OM dated 03.08.2017 for Executives and in accordance with the Wage Agreement entered between Management and Employees Union representative in 2019-20 in respect of Workmen.

On an interpretation on Pay refixation and pursuant to the directives of Administrative Ministry, the pay fixation is being revised and the excess amount paid is to be recovered from Employees.

This has resulted in reduction of Salaries and wages by ₹ 14450 lakhs and a Consequential reduction in sales revenue by ₹ 5677 Lakhs.

Our opinion is not modified in respect of these matters.

### c) Notes specific to Joint Ventures

### (i) In respect of HATSOFF Helicopter Training Private Limited

Going Concern

The Company has made a net profit of ₹ 1086.86 Lakhs during the period ended 31 March, 2021 and, as of that date, the Company's current liabilities exceeded its current assets. In addition to this, as at the balance sheet date, the Company has significant accumulated losses which have resulted in erosion of the net worth. The networth of the Company as at 31 March, 2021 is negative by ₹ 4196.22 Lakhs (as at 31 March, 2020 negative by ₹ 5283.08 Lakhs). However, these financial statements have been prepared on a going concern basis, notwithstanding the above factors in view of the following:

- 1) Board has affirmed that Company has the ability to meet all the obligation.
- 2) The Company is able to get multi-year contracts from Defense forces with increased training hours.
- 3) The Company along with the shareholders are presently pursuing several options with the Company's bankers ,viz,. ICICI Bank.
- 4) The Company has paid ECB loan interest upto 05<sup>th</sup> September 2020 and continues to service interest commitments regularly. Besides interest payment, ECB principal of ₹ 1222.26 Lakhs (US\$ 1,635,452.39) in August 2020 and ₹ 398.61 Lakhs (US\$ 545,000) in April 2021 has been repaid against ECB overdue instalments.
- 5) The ECB Loan is classified as Non-Performing Asset by the lending bank in view of non-payment of installments due. The bankers has not recalled the loan.

Considering the promoters ability to fund the Company's requirements and procure orders for execution, management is of the opinion that Company is a going concern.

### (ii) In respect of HALBIT Avionics Private Ltd

The Company has the following conditions that may cast doubt on its ability to continue as a going concern viz.,Net liability position (₹ 1164 lakhs as at 31 March, 2021 and ₹ 1202 lakhs as at March 31, 2020); Net current liability position (₹ 1239 lakhs for the year ended 31 March, 2021 and ₹ 1281 lakhs for the year ended 31 March, 2020). Despite these conditions, its current liability to creditor, though recorded, isn't payable immediately, as they are yet to complete part performance of their obligation and being a shareholder-joint venture partner themselves, the Company has drawn up financial plans to liquidate the liability in a phased manner. The Company, based on its estimated future growth as per the business plans and projected cash flow, is confident of funding its operating and capital expenditure and continue business operations in the foreseeable future. Accordingly, these financial statements have been prepared on a going concern basis.

### (iii) In respect of TATA HAL Technologies Ltd

During the year 2019-20 both the joint venturers of the Company, M/s Tata Technologies Limited and Hindustan Aeronautics Limited expressed their respective Board decisions for voluntary winding up of the Company. The matter has been discussed during the Board Meeting of the Company held on 09 March, 2020 during which the Board has accorded in principle approval for closure of the operations of the Company on 31 March, 2020 except for pending work related to Purchase Order from HAL. Considering the above fact the accounts have been prepared on a non-going concern basis and assets have been valued at the amount which the Company expects to realize an assets and liabilities are stated at the amount which Company expects to settle the liability. The accounts for the corresponding previous period ended 31 March, 2020 have been prepared on a going concern basis.

### (iv) In respect of Infotech HAL Ltd

On July 22, 2020, the Board decided to discontinue the operations of the Company after completion of all ongoing projects and as of now, the management has no intention of reviving the operations or for exploring other business opportunities.

The Company has discontinued its operations and has no intention to revive the business. Accordingly, these financial statements have been prepared under the liquidation basis of accounting. The carrying values of all assets are presented at their estimated realizable values and all liabilities are presented at their estimated settlement amounts as at March 31, 2021 as determined by the Company's management, which are subject to change upon actual realization / settlement.

### (v) In respect of Helicopter Engines MRO Private Ltd

Pursuant to the decision of Board of Directors of the Company vide Board Resolution dated 05 May, 2020 to down size the operations of the Company with effect from 31 May, 2020, these financial statements of the Company have been prepared on the basis of a going concern. In making this assessment, the Management have considered several positive indicators including the plan provided by Safran and HAL, the joint venture partner, to provide support in the foreseeable future for meeting financial obligations and continuing technical, operational and management support being provided by them.

(vi) HAL Edgewood Technologies Private Limited, is a Joint venture company of Hindustan Aeronautics Limited, has vide their letter dated 09.07.2020, intimated their employees regarding the official closure of the company with immediate effect due to the spread of Covid 19-Pandemic.

The Joint Venture Company has not prepared the financial statements for the year ended March 31, 2021 due to the abovementioned reason.

Hence, HAL Edgewood Technologies Private Limited, has not been considered for consolidation for the year ended March 31, 2021, in the Consolidated Financial Statements.

The impact of non-consolidation, however, is not material.

Our opinion is not modified in respect of the above matters.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### **Key Audit Matters**

### a) Revenue recognition

('Ind AS 115')

The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

### **Response to Key Audit Matters & Conclusion**

Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- Evaluated the appropriateness of the disclosures provided under the revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures.
- Evaluated the design of internal controls relating to implementation of the revenue accounting standard.
- Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price.
   We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- Selected a sample of continuing and new contracts and performed the following procedures:
- Read, analyzed and identified the distinct performance obligations in these contracts.
- Compared these performance obligations with that of identified and recorded by the group.
- Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable revenue.
- Examination of the correspondence relating to price revision and ascertained the reasonableness of the estimates.
- Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.

### b) Impairment of Trade Receivables

In respect of receivables from Government the Group does not make any impairment provision based on past experience.

The amount involved being significant balance and management judgement we consider this as a Key Audit Matter

We have verified the

- i) Effectiveness of internal controls in place and procedures followed in identifying the recoverability of long outstanding dues.
- ii) The procedures and follow up actions in ascertaining the impairment of receivables.

Our audit procedures include evaluation of provisions made for impairment in earlier years. We also made test checks of invoice wise collection details provided made in respect of in the five preceding financial years and we concluded the management assumption is reasonable.

### **Key Audit Matters**

### c) Recognition and Impairment of Intangible assets

A significant degree of judgement is required to determine the Intangibles to be recognized and intangibles to be impaired. The company has substantial intangibles assets both under use and in progress. The recognition /impairment assessment involves technical and management estimates and Judgements.

In respect of intangible Assets which are under development and whose life is infinite the same was reviewed by internal technical team as at the end of the reporting period and necessary impairment, if any, is recognized.

### d) Work - in - Progress (WIP) - Inventories

Inventories include Work in Progress which have been physically verified by the management based on physical verification instructions. Due to COVID – 19 lockdown we were not present during physical verification.

## e) Remeasurement of Employee Benefits Provident Fund

The exempt provident fund set up by the Group is a defined benefit plan under Ind AS 19 Employee Benefits.

Provident Fund for eligible employees is managed by the Company through a trust in line with the Provident Fund and Miscellaneous Provision Act, 1952. The plan guarantees interest at the notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Group or retirement, whichever is earlier. The benefits vests immediately on rendering of the services by the employee.

The minimum interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Group has an obligation to make good the shortfall, if any, between the return from the investments of the trust (including investment risk fall) and the notified interest rate.

The Group has obtained actuarial valuation report on the determination and disclosure of interest rate Guarantee & Diminution of Asset Values as per IND AS19 of Employees Exempt Provident Fund of HAL for the period ended 31st March 2021.

### **Response to Key Audit Matters & Conclusion**

Our audit procedures involved the test check of verification of internal controls and incurrence of expenditure on intangible assets. We also reviewed the report of the Technical committee constituted to review the Intangibles Assets – development expenditure who have given a recommendation of the Intangible assets to be recognized and assets to be impaired in the Financial year.

Based on the audit procedures as above we find the recognition and impairment provision have been made accordingly.

Our Audit Procedures include review of

- Physical Verification instructions
- Physical verification reports
- Roll back procedures
- Examining the basis of valuation on a test check basis

Based on the above audit procedures we conclude that the valuation of WIP is proper.

We have verified the inputs given to the Actuary for valuation and the disclosures made.

### **Key Audit Matters**

In view of uncertainties regarding recoverability of certain investment in ILFS, Dewan Housing, Reliance Capital, syntax,Srei equipment finance etc., during the year ended 31st March, 2021, the Company has provided ₹ 7832 lakhs being the shortfall arising on account of asset diminution and change in re-measurement of the defined benefit plans etc., which has been recognized in "other Comprehensive Income" and Other Financial Liabilities.

### f) Revision of pay

Revision of pay scales of executives and workmen, with effect from 01.01.2017 was implemented in accordance with the guidance issued by DPE vide OM dated 03.08.2017 for Executives and in accordance with the Wage Agreement entered between Management and Employees Union representative in 2019-20 in respect of Workmen.

During the FY 2018 – 2019, C&AG raised a draft para on the methodology of fixation of basic pay by HAL. It was referred to the Department of Defence Production, MOD being the Administrative Ministry for resolving the interpretation issue.

During the current financial year, based on the directives of the Administrative Ministry, the pay fixation is proposed to be rectified and the excess amount paid will be recovered from the employees.

This being a change in the accounting estimate, an amount of ₹ 14450 lakhs is credited to Salaries and Wages and included as part of claim recoverable in Note No.19 based on the inputs available at present. This has resulted in reduction in the sales revenue by ₹ 5677 lakhs.

### **Response to Key Audit Matters & Conclusion**

We have verified the Draft Audit para given by PDCA Bangalore, and the directives given by the Administrative Ministry dated 07.04.2021.

We verified the internal control and the programme logic for recalculation of the employees cost and also made test check on walk through basis .Based on above audit procedure we find the reversal to Salaries and wages is Considered satisfactory.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♦ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and its Joint Ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and itsJoint Ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its Joint Ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated

financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the holding company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Other Matters**

(a) We did not audit the financial statements/financial information of Two subsidiaries, whose financial statements/ financial information reflect total assets of ₹ 4414 Lakhs as at 31st March 2021, total revenues of ₹ 593 lakhs and net cash flows amounting to ₹ 318 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 481 lakhs for the year ended 31st March, 2021, as considered in the consolidated financial statements, in respect of fourteen associates, whose financial statements/ financial information have not been audited by us. These financial statements/ financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures and our report in terms of sub – sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Our opinion is not modified in respect of these matters

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HINDUSTAN AERONAUTICS LIMITED.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2021, we have audited the Internal Financial Controls Over Financial Reporting of **HINDUSTAN AERONAUTICS LIMITED** ('the Holding Company') and its Subsidiary Companies and Joint Ventures, which are companies incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company and its Subsidiary Companies and Joint Ventures which are companies incorporated in India, are responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Holding Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Group Company's and Joint Ventures Internal Financial Controls Over Financial Reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system Over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls Over Financial Reporting included obtaining an understanding of Internal Financial Controls Over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other Auditors in terms of their Reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting of the Group and its Joint Ventures.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company's Internal Financial Control Over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal Financial Control Over Financial Reporting includes those policies and procedures that:

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls Over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls Over Financial Reporting to future periods are subject to the risk that the Internal Financial Control Over Financial Reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company, its Subsidiary Companies and its Joint Ventures incorporated in India has, in all material respects, an adequate Internal Financial Controls System Over Financial Reporting and such Internal Financial Controls Over Financial Reporting were operating effectively as at March 31, 2021, based on the Internal Control Over Financial Reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

### **Other Matters**

Our aforesaid Reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal Financial Controls Over Financial Reporting in so far as it relates to the Subsidiaries and Joint Ventures which are companies incorporated in India, is based on the corresponding Reports of the Auditors of such companies incorporated in India.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HINDUSTAN AERONAUTICS LIMITED, BENGALURU FOR THE YEAR ENDED 31 MARCH 2021.

The preparation of consolidated financial statements of **Hindustan Aeronautics Limited**, **Bengaluru** for the year ended 31 March 2021 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditor/ auditors appointed by the Comptroller and Auditor General of India under section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on the financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 28 June 2021.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of Hindustan Aeronautics Limited, Bengaluru for the year ended 31 March 2021 under section 143(6) (a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statements of Hindustan Aeronautics Limited, Bengaluru and of the one subsidiary viz., Defence Innovation Organisation, Bengaluru (jointly owned by HAL and BEL), but did not conduct supplementary audit of the financial statements of two Subsidiaries, viz., Indo Russian Helicopters Limited, Bengaluru, Naini Aerospace Limited, Prayagraj and of thirteen Joint Ventures of Hindustan Aeronautics Limited (as per Annexure) for the year ended on that date. Further, section 139(5) and 143(6) (a) of the Act are not applicable to the thirteen Joint Venture Companies being private entities, for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143 (6)(b) of the Act.

#### 1. BASIS OF ACCOUNTING:

The Financial Statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of Companies Act, 2013 read with relevant rules of the Companies (Indian Accounting Standards) Rules.

#### 2. USES OF ESTIMATES:

- a) Preparation of financial statements in conformity with the recognition and the measurement principle of Ind AS requires the management of the Company to make estimates, judgments and assumptions that affects the reported balances of Assets and Liabilities, disclosure relating to contingent liabilities as on the date of the Financial Statements and the reported amount of revenues and expense for the reporting period.
- b) Estimates and the underlying assumption are reviewed on an ongoing basis. The revision to the accounting estimates, if material is recognized in the period in which the estimates are revised.
- c) Estimates and judgments made in applying accounting policies that have significant effect on the amounts recognized in the financial statements are as follows:

#### i. Employee Defined benefit plans

The liabilities and costs for defined benefit plans are determined using actuarial valuations. The actuarial valuation involves making assumptions. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

#### ii. Provisions and contingencies

Assessments undertaken in recognising provisions and contingencies have been made as per the best judgment of the management based on the current available information.

#### iii. Income Taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

#### 3. PROPERTY, PLANT AND EQUIPMENT(PPE):

- a) Property, Plant and Equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- b) The cost includes purchase price, import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any cost directly attributable including borrowing cost on qualifying assets to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- c) Subsequent expenditure relating to PPE including major inspection costs, spare parts, standby and servicing equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.
- d) In accordance with Ind AS 101-First Time Adoption of Indian Accounting Standards, the Company had chosen to consider the carrying value for all its PPE as their deemed cost at the Opening Balance Sheet as at April 01, 2015.
- e) Depreciation is calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act 2013. Where the useful life of the asset is not as per Schedule II of the Companies Act 2013, the same is disclosed under Notes to Accounts.
- f) PPE individually costing ₹ 50,000 and below are fully depreciated in the year of purchase.
- g) Where part of an item of PPE with a cost significant in relation to the total cost of the item and have different useful lives, they are treated as separate components and depreciated over their estimated useful life.

- h) Certain items like Special Tools are amortized over the number of units of production expected to be obtained from the asset based on technical assessment and management estimates depending on the nature and usage of the respective assets.
- i) CSR Assets are fully depreciated in the year of capitalization
- j) The cost and the related accumulated depreciation are eliminated from the Financial Statements upon sale or derecognition or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss of the relevant period.
- k) The estimated useful lives, residual values and depreciation / amortisation method are reviewed at the end of each reporting period with the effect of changes in estimates accounted for on a prospective basis.

#### 3.1: Capital Advances and Capital Work In Progress (CWIP)

- Advances given towards acquisition of PPE outstanding at each Balance sheet date are disclosed as other Noncurrent assets.
- b) Cost of Assets not ready for its intended use as on the Balance sheet date is shown as CWIP. Such properties are classified to the appropriate categories of PPE when completed and ready for its intended use.
- c) Depreciation on such assets commence when the assets are ready for their intended use.

#### 4. INVESTMENT PROPERTY

- a) A property is considered as investment property only if the same is held for earning rentals and /or for capital appreciation or both. Properties held by the Company (directly or indirectly) which are used in the production of supply of goods or services for administrative purposes are not considered as Investment Property.
- b) Investment Properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. In accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards, the Company has chosen to consider the carrying value for all its Investment Property recognized in its Indian GAAP financial statement as their deemed cost as at the transition date viz, April 01, 2015.
- c) Depreciation is calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act 2013. Where the useful life of the asset is not as per Schedule II of the Companies Act 2013, the same is disclosed under Notes to Accounts.

#### 5. INTANGIBLE ASSETS

- a) Intangible Assets controlled and from which future economic benefits are expected to flow and having useful life are recognized at cost less any accumulated amortization and accumulated impairment losses, if any.
- b) Development Costs having useful life and which will generate probable future economic benefits are recognized as an intangible asset and amortised over production based on technical estimate and to the extent not amortized are carried forward.
- c) Expenditure on license fees, documentation charges etc, based on the definition criteria of intangible assets in terms of reliability of measurement of cost and future economic benefits from the assets, are amortised over production based on technical estimates, and to the extent not amortised, are carried forward.
- d) The cost of software internally generated / acquired for internal use which is not an integral part of the related hardware, is recognized as an intangible asset and is amortised over three years, on straight line method. Amortisation commences when the asset is available for use.
- e) Expenditure on Research is recognized as an expenditure in the period in which it is incurred.
- f) Wherever it is not possible to assess the useful life of an intangible asset (whether or not significant) the same is not amortised. Impairment on such intangible assets are reviewed annually and when there is an indication of impairment, the asset is impaired.

#### 6. LEASE ACCOUNTING

**6.1.** The Company recognizes, at inception of a contract a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### 6.2. The Company as a lessee

- a) At the date of commencement of the lease, the Company recognizes a right-of-use ("ROU") asset representing its right to use the underlying asset for the lease term and a lease liability for all lease arrangements in which it is a lessee except for leases with a term of 12 months or less (short term leases) and leases for which the underlying assets is of low value. For such short term and assets of low value leases, the Company recognizes the lease payment as an expense on a straight line basis over the term of the lease.
- b) At commencement date the ROU asset is measured at cost. The cost of the ROU asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred. The ROU assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any.
- c) The ROU assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of ROU asset. The estimated useful lives of ROU assets are determined on the same basis as those of PPE. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.
- d) At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the Company's incremental borrowing rate.
- e) Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Short term lease payments and payments for leases of low value assets are classified as operating cash flows.

#### 6.3. Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease.

#### 6.3.1 Finance Lease:

- a) A lease that transfers substantially all the risks and rewards incidental to ownership of an underlying asset to the Lessee is classified as a finance lease. Title may or may not eventually be transferred.
- b) At commencement date, an amount equal to the net investment in the lease is presented as receivable. The interest rate implicit in the lease is used to measure the value of net investment in the lease.
- c) The finance income is recognized over the lease term in the statement of profit and loss account so as to reflect a constant periodic rate of return on the net investment in the lease.
- d) The de-recognition and impairment requirement of the underlying asset is tested as per Ind AS 109- Financial instruments.
- e) Any modifications in the lease are accounted as a separate lease when the recognition criteria specified in paragraph 79 of the standard are met.

#### 6.3.2 Operating Lease:

- a) Lease other than finance leases are operating leases.
- b) The lease payment from operating leases are recognized as income on either a straight-line basis or another systematic basic, if required.
- c) The expenses including depreciation cost associated with earning of the lease income is recognized as an expense.

- d) Depreciation on underlying assets subject to operating leases are calculated on straight line basis over estimated useful life as prescribed in Schedule II of the Companies Act, 2013.
- e) Any modifications in the lease are accounted as a separate lease if the recognition criteria specified in the standard is met.

#### 6.4. Transition to Ind AS 116

- a) Effective April 1, 2019, the Company has applied Ind AS 116 on Lease Accounting. Ind AS 116 replaces Ind AS 17. The Company has adopted Ind AS 116 using the cumulative effect method. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2019) and the comparative information continues to be reported under Ind AS 17.
- b) The Company has chosen the practical expedient provided by the standard to apply Ind AS 116 only to contracts that were previously identified as leases under Ind AS 17 and therefore has not reassessed whether a contract is or contains a lease at the date of initial application.

#### 7. NON CURRENT INVESTMENTS

- a) In accordance with Ind AS 101, First time adoption of Indian Accounting Standards, the Company has chosen to consider the carrying amount of investment as their deemed cost as at the Opening Balance Sheet as at 01st April, 2015.
- b) Investments are carried individually at cost less accumulated impairment in the value of such Investments.
- c) Cost of Investment includes acquisition charges such as brokerage, fees and duties.

#### 19.3 PROVISION FOR ONEROUS CONTRACTS

A provision for onerous contract is recognized when the expected benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

#### 20. ESTIMATES AND ERRORS

The Company revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied retrospectively unless it is impracticable to apply.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of profit and loss is applied prospectively in the period(s) of change.

When it is difficult to distinguish a change in an accounting policy from a change in an accounting estimate, the change is treated as a change in an accounting estimate.

Discovery of material errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities, and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

#### 21. EVENTS AFTER THE REPORTING PERIOD

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Nonadjusting events after the reporting date are not accounted

22. The functional currency of the Company is Indian Rupee.

# **Note 49 - Consolidated Notes to Financial Statements**

# 2. Principles of Consolidation:

Sl. No.	Particulars
1	The Consolidated Financial Statements (CFS) of Hindustan Aeronautics Limited (HAL) ,Joint Ventures and its Subsidiaries are prepared in accordance with Ind AS 28 (Investments in Associates & Joint Ventures), Ind AS 110 (Consolidated Financial Statements), Ind AS 111 (Joint Arrangements) and are presented to the extent possible in the same manner as the the Company's Standalone Financial Statement.
2	Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date when control ceases.
3	The Group combines the financial statements of the parents and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of Subsidiary have been changed where necessary to ensure consistency with the policies adopted by the Group.
4	Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.
	Dividends received or receivable from Joint Ventures are recognised as a reduction in the carrying amount of the investment.
	When the Group's share of losses in Joint Ventures equals or exceeds the Group's interest in the entity, including any other long-term unsecured receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.
	Unrealised gains on transactions between the Group and its Joint Ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.
	Accounting policies of Joint Ventures have been changed where necessary to ensure consistency with the policies adopted by the Group. The carrying amount of equity accounted investments are tested for impairment.
5	Interests in Joint Ventures are accounted for using the equity method after initially being recognised at cost in the Consolidated Balance Sheet.
6	As per the Shareholders' Agreements entered by the Company relating to all the Joint Ventures which clearly specifies the intent of the Company to subscribe and hold the specified percentage of the equity from the beginning, no pre-acquisition profits/losses arose on consolidation.
7	In respect of contingent liabilities and commitments proportionate share of the Company's and others entire amount as shown by Joint Ventures has been considered for disclosure.
8	The figures of previous year have been considered based on audited financial statements of the Subsidiary / Joint Ventures.
	ventures.

### Note 49 - Consolidated Notes to Financial Statements

### 5. Notes Specific to Joint Ventures

# (i) In respect of HATSOFF Helicopter Training Private Limited

### **Going Concern**

The Company has made a net profit of ₹ 1086.86 Lakhs during the period ended 31 March, 2021 and, as of that date, the Company's current liabilities exceeded its current assets. In addition to this, as at the balance sheet date, the Company has significant accumulated losses which have resulted in erosion of the net worth. The networth of the Company as at 31 March, 2021 is negative by ₹ 4196.22 Lakhs (as at 31 March, 2020 negative by ₹ 5283.08 Lakhs). However, these financial statements have been prepared on a going concern basis, notwithstanding the above factors in view of the following:

- 1) Board has affirmed that Company has the ability to meet all the obligation.
- 2) The Company is able to get multi-year contracts from Defence forces with increased training hours.
- 3) The Company along with the shareholders are presently pursuing several options with the Company's bankers ,viz,. ICICI Bank.
- 4) The Company has paid ECB loan interest upto 05 September, 2020 and continues to service interest commitments regularly. Besides interest payment, ECB principal of ₹ 1222.26 Lakhs (US\$ 1,635,452.39) in August, 2020 and ₹ 398.61 Lakhs (US\$ 545,000) in April, 2021 has been repaid against ECB overdue instalments.
- 5) The ECB Loan is classified as Non-Performing Asset by the lending bank in view of non-payment of installments due. The bankers has not recalled the loan.
  - Considering the promoters ability to fund the Company's requirements and procure orders for execution, management is of the opinion that Company is a going concern.

### (ii) In respect of HALBIT Avionics Private Ltd

The Company has the following conditions that may cast doubt on its ability to continue as a going concern viz., Net liability position (₹ 1164 lakhs as at 31 March, 2021 and ₹ 1202 lakhs as at 31 March, 2020); Net current liability position (₹ 1239 lakhs for the year ended 31 March, 2021). Despite these conditions, its current liability to creditor, though recorded, isn't payable immediately, as they are yet to complete part performance of their obligation and being a shareholder-joint venture partner themselves, the Company has drawn up financial plans to liquidate the liability in a phased manner. The Company, based on its estimated future growth as per the business plans and projected cash flow, is confident of funding its operating and capital expenditure and continue business operations in the foreseeable future. Accordingly, these financial statements have been prepared on a going concern basis.

# (iii) In respect of TATA HAL Technologies Ltd

During the year 2019-20 both the joint venturers of the Company, M/s Tata Technologies Limited and Hindustan Aeronautics Limited expressed their respective Board decisions for voluntary winding up of the Company. The matter has been discussed during the Board Meeting of the Company held on 09 March, 2020 during which the Board has accorded in principle approval for closure of the operations of the Company on 31 March, 2020 except for pending work related to Purchase Order from HAL. Considering the above fact the accounts have been prepared on a non-going concern basis and assets have been valued at the amount which the Company expects to realize an assets and liabilities are stated at the amount which Company expects to settle the liability. The accounts for the corresponding previous period ended 31 March, 2020 have been prepared on a going concern basis.

### Note 49 - Consolidated Notes to Financial Statements

### (iv) In respect of Infotech HAL Ltd

On July 22, 2020, the Board decided to discontinue the operations of the Company after completion of all ongoing projects and as of now, the management has no intention of reviving the operations or for exploring other business opportunities.

The Company has discontinued its operations and has no intention to revive the business. Accordingly, these financial statements have been prepared under the liquidation basis of accounting. The carrying values of all assets are presented at their estimated realizable values and all liabilities are presented at their estimated settlement amounts as at March 31, 2021 as determined by the Company's management, which are subject to change upon actual realization / settlement.

# (v) In respect of Helicopter Engines MRO Private Ltd

Pursuant to the decision of Board of Directors of the Company vide Board Resolution dated 05 May, 2020 to down size the operations of the Company with effect from 31 May, 2020, these financial statements of the Company have been prepared on the basis of a going concern. In making this assessment, the Management have considered several positive indicators including the plan provided by Safran and HAL, the joint venture partner, to provide support in the foreseeable future for meeting financial obligations and continuing technical, operational and management support being provided by them.

### (vi) In respect of HAL-Edgewood Technologies Private Limited

HAL Edgewood Technologies Private Limited , is a Joint venture company of Hindustan Aeronautics Limited, has vide their letter dated 09.07.2020, intimated their employees regarding the official closure of the company with immediate effect due to the spread of Covid 19-Pandemic.

The Joint Venture Company has not prepared the financial statements for the year ended 31 March, 2021 due to the abovementioned reason.

Hence, HAL Edgewood Technologies Private Limited, has not been considered for consolidation for the year ended 31 March, 2021, in the Consolidated Financial Statements.

The impact of non-consolidation, however is not material

### 9 Financial Risk Management

The Group is exposed to market risk, credit risk and liquidity risk which may impact the fair value of its financial instruments. The Group based on its business operation evaluated the following risks:

### a) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in exchange rates. The Group's exposure to the risk of changes in exchange rates relates primarily to the Group's imports for which the payment has to be done in currencies other than the functional currency of the Group. The fluctuation in exchange rates in respect to the Indian rupee may have very restricted impact on Group as any fluctuations in foreign exchange are in general reimbursed by the customers of the Group in terms of the contractual obligations which the Group has with its customers.

# b) Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counter party to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Group. Credit risk arises principally from trade receivables, loans & advances, advances given to suppliers (for procurement of goods, services and capital goods, cash & cash equivalents and deposits with banks and financial institutions). The Group for the financial year ended 31 March 2021 derived 92% (for the financial year ended 31 March 2020 94%) of its total sales from sales to the Indian Defence Services. The Group expects to continue to derive most of its sales from the Indian Defence Services under the contracts of the Ministry of Defence (MoD), Government of India (GoI) –the Group's principal shareholder and administrative ministry.

Ageing Analysis of the Trade Receivables

# c) Provision for expected credit losses:

As the Group's debtors are predominantly the Government of India (Indian Defence Services, Ministry of External Affairs), Central Public Sector Undertakings where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is NIL/negligible. Accordingly, no loss allowance for impairment has been recognized. Further, management believes that the unimpaired amounts that are due collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, no impairment loss has been recognized during the reporting periods in respect of trade receivables.

### **Note 49 - Consolidated Notes to Financial Statements**

# d) Liquidity risk:

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Typically, the Group ensures that it has sufficient cash on demand to meet expected operational expenses including the servicing of financial obligations. The Group's standard contract terms provide that, the Group receives advance payments from customers pursuant to the applicable contracts, including the GoI and the Indian Defence Services at the time of signing of any contract and milestone payments on achievement of physical milestones. These payments are utilized to meet the Group's working capital needs (for the Group required to maintain a high level of working capital because the Group's activities are characterized by long product development periods and production cycles). A majority of the Group's research, design and development costs are funded by the Indian Defence services. Services and supply of spares are governed by the Fixed Price Quotation (FPQ) policy for fixation of the prices wherein the prices are fixed for the base year with escalation parameters for a pricing period of 5-7 years. The process of fixation of prices and approvals takes a minimum period of two years after the expiry of previous pricing period. In the interim, the approved prices of the previous pricing period are continued and payments are accordingly realised and on finalisation of the revised prices, the differential prices are paid to the Group. Further, certain costs not forming part of selling price are reimbursed by customer on incurrence of expenditure. The reimbursement is based on verification and issuance of audit certificate by the payees. There are delays in the above process due to unanticipated variations/adjustments in the scope and schedule of the Group's obligations due to subsequent modifications by the customers and delays in receipt of approvals from the customer. Further, payments to the Group by the Indian Defence Services are reliant on the continuing availability of budgetary appropriations by Government of India and any disruptions to the availability of such appropriations could adversely affect the Group's cashflows.

### e) Market risk:

The Ministry of Defence (MoD) and the Government of India (GoI) have continued efforts to reform Defence related policies such as the Defence Acquistion Procedure 2020 ("DAP 2020") to promote private participation, a level playing field and the domestic Defence manufacturing Industry and eco-system. While the MoD has given the highest priority to Indigenously Designed, Developed and Manufactured ("IDDM") products for capital procurement, the Group faces competetion to be selected as the Indian production agency for such contracts. These policies have raised the level of market competition in the areas in which the Group operates.

### f) Risk Mitigation Process:

As a step of institutionalizing the risk management in the Group, an elaborate framework has been developed and the Group's top management has overall responsibility for the establishment and oversight of the Group's risk management framework. An important purpose of the framework is to have a structured and comprehensive risk management system across the Group which ensures that the risks are being properly identified and effectively managed. The Group has a risk management policy to manage & mitigate these risks. The risk management process includes risk identification, risk assessment, risk evaluation, risk mitigation and regular review and monitoring of risks. The Group's risk management policy aims to reduce volatility in financial statements while maintaining balance between providing predictability in the Group's business plan along with reasonable participation in market movement.

# g) COVID-19 Impact

### **Current year Impact:**

Due to lockdown imposed to contain the spread of COVID-19 pandemic, the Group's manufacturing facilities were temporarily shut down during April 2020. The activities resumed from 28<sup>th</sup> April 2020 with precautions, reduced availability of manpower and disrupted supply chain, resulting in lower turnover and consequent lower profit during the first half of the financial year 2020-21. However during the second half of the financial year 2020-21 near normalcy is restored in the operations. The Group improved its turnover and profitability as compared to the financial year 2019-20.

# **Anticipated Future Impact:**

Based on the information available (internal as well as external) up to the date of approval of this financial result, Group expects to recover the carrying amount of Intangible assets, Inventories, Property, Plant and Equipment's, Lease, Financial Instruments, Trade Receivables etc. Efforts are being made to minimize the impact. The Group will continue to closely monitor the developments, the future economic and business outlook and its impact on Group's future financial statements with a view to minimize the Covid impact.

### **Note 49 - Consolidated Notes to Financial Statements**

# **Second Wave of Covid-19 Impact:**

Second wave of Covid-19 has forced the Group to declare for a phased lockdown at various Divisions on substitution basis during April and May 2021. The employees will put in additional hours for the hours lost during lockdown period. It is, therefore, expected that the lost man hours will be recovered in the coming months, hence, no significant impact is anticipated.

### 10 Capital Management:

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and requirements. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Group monitors capital by using debt equity ratio, which is borrowings divided by Equity.

# 13.2 Sensitivity of estimates on provisions:

The assumptions made for provisions relating to current period are consistent with those in the earlier years. The assumptions and estimates used for recognition of such provisions are qualitative in nature and their likelihood could alter in next financial year. It is impracticable for the Company to compute the possible effect of assumptions and estimates made in recognizing these provisions.

Provision for replacement and other charges represents, amounts towards expenditure incurred from the date of Signalling Out Certificate (SOC) to date of ferry out, loan items taken from the customer which needs to be replaced etc.,

Warranty represents Performance Warranty for manufacture, repair and overhaul of Aircraft / Helicopters/ Engines / Rotables, supply of spares and development activities etc

Provision for Redundancy in Raw Material and Components, Stores and Spares, Construction Material and Loose Tools represents provision on redundancy of such materials, completed / specific projects and other surplus / redundant materials pending transfer to salvage stores etc.

Provision for Liquidated Damages represents amounts provided for the period of delay between the due date of supply of the Goods / rendering of services as per delivery schedule and the expected Date of delivery of said Goods / rendering of service in respect of manufacture / repair and overhaul of Aircraft / Helicopters/ Engines / Rotables, supply of spares and development activities etc.

Provision for doubtful debts is being assessed on a case to case basis in respect of dues outstanding for a significant period of time. Debts from the Government departments are generally treated as fully recoverable and hence the Company does not recognize credit risk of such financial assets.

Provision for doubtful claims represents provision on expected credit losses.

Impairment in value of investment represents reduction in the share of net worth below investment.

Provision for Onerous contract has been recognised as the cost of meeting obligations is over and above the economic benefits expected to be received under it.

**13.3** Provisions for the material foreseeable losses on long-term contracts has been made in the respective financial statements of the Joint ventures as listed below:

### 28 Recent pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

### **Balance Sheet:**

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

### Statement of profit and loss:

• Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Group will evaluate the same to give effect to them as required by law.

The financial statements were approved for issue by the Board of Directors at their meeting held on 28<sup>th</sup> June 2021.

These financial statements are presented in Indian rupees (rounded off to lakhs). Previous Year figures have been rearranged or regrouped wherever necessary.
